Doctor of Philosophy

✓ *Engineering*

✓ *Management*

ABOUT SPSU

The JK Cement Ltd. and Yadupati Singhania Foundation envisioned the establishment of Sir Padampat Singhania University (SPSU) in Rajasthan benchmarked to international educational institutions. The Foundation constituted a think tank of eminent people from academic excellence, entrepreneurial spirit, diversity, vibrancy, and creativity. SPSU is on a journey of transformation with the objective of creating future-ready graduates through Industry-ready specialized programs co-delivered with leading corporations.

PURSUE YOUR INTELLECTUAL PASSION

Our Ph.D. program at SPSU is designed to develop scholarly leaders equipped with the skills and knowledge to drive innovation and address complex global challenges. We offer a dynamic and interdisciplinary environment where you can engage deeply with your field and contribute groundbreaking research. SPSU is backed by J K Cement Group, one of India's most reputed corporate houses. The University, with its emphasis on a blend of technology and business, offers rigorous research and teaching opportunities for doctoral students looking for careers in top Indian and global business schools:
