7.3 Non-Teaching Staff	143
8.0 Audited Balance Sheet For The Financial Year 2023-2024	147

CHAIRPERSON'S MESSAGE

Dr. Nidhipati Singhania

As we present this annual report, it is a moment to honour and reflect on the visionary legacy of Shri Yadupati Singhania Ji, whose profound influence continues to guide Sir Padampat Singhania University (SPSU) since its founding in 2007. Over the years, SPSU has distinguished itself as a cornerstone of academic excellence, advancing the future of higher education in Rajasthan.

Situated in the serene and inspiring landscape of Udaipur, SPSU offers a unique educational environment where academic rigor seamlessly integrates with hands-on experience. Our curriculum is thoughtfully crafted to anticipate and meet the demands of a rapidly evolving global landscape, incorporating advanced technologies such as Artificial Intelligence, Machine Learning, the Internet of Things (IoT), and Industry 5.0. This holistic approach not only encourages innovation but also equips our students with the knowledge and skills to thrive as leaders in the future workforce.

Aligned with the principles of the National Education Policy (NEP) 2020, SPSU is committed to fostering a flexible and interdisciplinary learning environment. Our Outcome-Based Education model, coupled with robust industry partnerships, empowers students to reach their full potential. Through an array of scholarships, research initiatives, and an enriching campus life, we strive to develop well-rounded graduates who excel academically and demonstrate social responsibility.

Our alumni network, a true reflection of SPSU's commitment to quality and impact, comprises entrepreneurs, leaders, and change-makers who continue to drive innovation and contribute to societal progress. They stand as a testament to the values and vision that define our university.

As SPSU advances, we remain steadfast in our mission to deliver world-class education and foster all-encompassing growth. We are dedicated to shaping the future of our students, preparing them to become the next generation of innovators and leaders who will positively influence our world.

PRESIDENTIAL FOREWORD

Prof. (Dr.) Prithvi Yadav

In an era marked by swift transformations, higher education has adapted remarkably to tackle critical global issues, including environmental sustainability, equity and social responsibility. Recent years have seen a substantial shift in the landscape of higher learning, fuelled by unprecedented advancements in science and the rise of interdisciplinary studies.

The New Education Policy 2020 embodies this shift in perspective, emphasizing the importance of holistic development over merely creating a resource pool. With this vision, SPSU aims to stand as a beacon of knowledge, fostering intellectual discourse and serving as a catalyst for societal

change, ultimately preparing students to thrive in a dynamic global environment.

Sir Padampat Singhania University (SPSU), supported by its dedicated faculty and robust industry-academia partnerships, is deeply committed to equipping students with the skills and knowledge required to excel in the professional world. Our flexible curriculum and state-of-the-art infrastructure provide the ideal platform to nurture talent and achieve success. Our transformation roadmap emphasizes modern curricula, specialized courses, organizational restructuring, operational improvements, and cutting-edge infrastructure enhancements. We aim to empower the next generation leaders with rich interdisciplinary education that promotes sustainability, drives development, and champions equity at every stage. Our programmes feature global certification courses and industry collaborations with prestigious partners such as Xebia, L&T Edutech, SAS, FL Smidth, and Microsoft, among others.

Aligning with Sir Padampat Singhania's vision of providing affordable and accessible quality education, SPSU offers generous scholarships to deserving and meritorious students. Throughout the year, the university has successfully organized a wide range of expert lectures, workshops, Faculty Development Programmes (FDPs), Management Development Programmes (MDPs), Hackathons, Walkathons, Orion's- The Fresher's Welcome and Panache 2024—the annual techno-cultural management fest. Highlights include the International Conference on 'Navigating the Future: AI, Blockchain, and Sustainable Development in the G20 World' and the International Research Convention. Additionally, our orientation programme, Sangyaan 2024, was a resounding success, offering students lectures, interactive workshops, and hands-on activities.

SPSU's multiple Memoranda of Understanding (MoUs) with industry and academic institutions further enhance our student's educational experience, providing exclusive opportunities for hands-on learning, real-world exposure, and participation in cutting-edge projects. These initiatives highlight our unwavering commitment to equipping

students with the knowledge and skills necessary to excel in an ever-changing global landscape.

Sir Padampat Singhania University through its various collaborations and sincere efforts is dedicated to creating a transformative educational experience that bridges knowledge with real-world application. By embracing innovation, sustainability, and inclusivity, SPSU empowers its students to become socially responsible and skilled leaders ready to meet global challenges head-on. Driven by our commitment to a holistic, student-centred approach, we intend to equip every graduate with specialized skills and the resilience and agility to thrive in today's fast-paced, interconnected world.

As we continue to build upon our foundation of excellence, SPSU stands poised to inspire positive change and contribute meaningfully to society for generations to come.

The Annual Report for 2022-23 encapsulates this academic journey, reflecting the collective efforts of all departments in shaping a brighter future for our students.

1.0 INTRODUCTION

The Yadupati Singhania Foundation (formerly JK Cement Nimbahera Foundation) envisioned the establishment of a world-class university in Rajasthan benchmarked to international educational institutions. The Foundation constituted a think tank of eminent people from industry, science and technology, and academia who prepared the blueprint of Sir Padampat Singhania University (SPSU), named after the visionary founder of the JK Organization. The University came into existence through an act of the Government of Rajasthan in the year 2007 and was subsequently recognized by the University Grants Commission (UGC) of India by following a rigorous process of inspection. The University has also been granted membership of the Association of Indian Universities (AIU) and accredited by the National Assessment and Accreditation Council (NAAC). The University offers undergraduate, postgraduate, and doctoral Programmes under the three schools: the School of Engineering, the School of Management and the School of Liberal Studies. The syllabi of all academic Programmes at the University are regularly reviewed, incorporating valuable insights from both industry experts and academia. This dynamic approach ensures flexibility, promotes interdisciplinary learning, and aligns with the evolving needs of both the industry and society. The University's strong academic and industry

collaborations are dedicated to advancing research, driving innovation, and equipping students with the skills required to excel in the workforce.

The University has established a robust network of academic collaborations with prestigious institutions such as Chiba University of Commerce, Japan, and INTI International University, Malaysia, facilitating regular student and faculty exchanges, along with summer internships and training Programmes. Additionally, the University has formed strategic industry partnerships to enhance curriculum design and provide hands-on learning opportunities. Notable collaborations include AWS Academy for Cloud Computing curriculum development, Intel for establishing a High-Performance Computing and IoT Lab, and Gainwell for live project support in Mining Engineering. The University also partners with Beumer Group and L & T Edutech for Digital Manufacturing courses, Xebia for AI/ML specializations, FL Smidth for joint delivery of Cement Technology courses, TCS-ion for Cloud Computing curriculum and remote internships, and Microsoft for Cloud Computing certification. Other key collaborations include Omnipresent for setting up a Robotics Lab, Tinkerlab for experimentation in Electronics and Communication Engineering, Hindustan Zinc Ltd. for Advanced Mining Engineering curriculum support, GHH

for Mechanical Engineering certification, Nuvoco Vistas for specialization in Cement Technology and SAS for co-delivery of the MBA programme with a specialization in Business Analytics. The University also partners with the Foundation for Innovation and Research in Science and Technology (FIRST, IIT Kanpur) for co-incubation activities. These collaborations bridge academia and industry, promote innovation, practical skills, and research excellence across disciplines.

As a result of concerted efforts put in by the University for research activities during last years an average of more than one publication per faculty per year has been indexed in the SCOPUS database which counts to half of our total SCOPUS indexed publications.

The University has garnered recognition from various Central and State Government Ministries and Departments, including the Ministry of Micro, Small, and Medium Enterprises (MSME), the Department of Science and Technology (DST), and the Ministry of Human Resource Development (MHRD). These recognitions have enabled the University to secure funding for initiatives in entrepreneurship, incubation, research, and development.

Additionally, the University actively participates in key MHRD digital networks such as the National Academic Depository (NAD), National Digital Library (NDL), e-ShodhSindhu, Shodhganga, DELNET, and IRINS-INFLIBNET, enhancing its digital infrastructure and academic resources.

In its commitment to creating a converging learning environment that meets the needs of an ever-evolving society, the University also strongly emphasizes promoting national integration and value-based education. Over the past one and a half decades, the University has remained dedicated to academic excellence, entrepreneurial innovation, diversity, vibrancy, and creativity. Its steady and remarkable progress toward fulfilling its objectives, vision, and mission reflects a collaborative effort involving all stakeholders in scholarly and intellectual growth.

This Annual Report offers a comprehensive overview of the governance, administration, and academic, co-curricular, and developmental activities carried out at the University for the academic year from July 2023 to June 2024.

1.1 CONSTITUTION OF VARIOUS BODIES

BOARD OF MANAGEMENT (BoM) as on June 30, 2024

S. No.	Name	Profession	Designation
1	Mr. Nidhipati Singhania	Chairperson	Chairman
2	Prof. (Dr.) Prithvi Yadav	President, SPSU	Member
3	Mr. Madhavkrishna Singhania	Dy. Managing Director & CEO J K Cement Ltd.	Member
4	Mr. Mangal Dev	Head of Hitachi Railway Systems, Business India and South Asia	Member
5	Dr. Ashok Khosla	Chairman, Taralife Sustainability Solutions Pvt. Ltd.	Member
6	Dr. Nalinaksh S. Vyas	Professor, Department of Mechanical Engineering IIT Kanpur	Member
7	Mr. Ajay Kumar Saraogi	Deputy MD and CFO JK Cement Ltd.	Member
8	Mr. Dinesh Kothari	Managing Director Delhi Private School, UAE	Member
9	Col. (Dr.) Sanjay Sinha	Vice President & Head J K Cement Education Vertical	Member
10	Mr. Amit Goyal	Managing Director India Sotheby's International Realty	Member
11	Dr. Dhruv Aggarwal	President Strategy at Paramount Communications Ltd.	Member
Representative of the State Government			
12	Commissioner	College Education, Govt of Rajasthan, Jaipur	Member
Nominated by the President			
13	Dr. Sadananda Prusty	Dean, School of Management SPSU	Member
14	Dr. Prasun Chakrabarti	Dean, International Affairs Director, Research SPSU	Member

Member Secretary			
15	Dr. Udayprakash R. Singh	Registrar	Member Secretary

Advisory Council			
S. No.	Name	Profession	Designation
1	Dr. Raghavpat Singhania	Managing Director, JK Cement Ltd.	Member
2	Smt. Vidhi Singhania	Chairperson, LK Singhania Education Centre	Member
3	Mr. Amit Kothari	Group President - Strategy, JK Cement Ltd.	Member

ACADEMIC COUNCIL as on June 30, 2024

1. Prof. (Dr.) Prithvi Yadav	President	Chairperson
2. Prof. (Dr.) Sadananda Prusty	Dean, SOM	Member
3. Prof. (Dr.) Prasun Chakrabarti	Dean (Officiating), SoE Dean International Affairs, Director Research	Member
4. Prof. (Dr.) Deepak Vyas	Head, Dept. of Chemistry	Member
5. Prof. (Dr.) Alok Kumar	Head, Dept. of CSE	Member
6. Prof. (Dr.) Naveen Kumar	Head, Dept. of ME	Member
7. Prof. (Dr.) Shweta Lalwani	Head, Dept. of Management	Member
8. Prof. (Dr.) Monika Anand	Head, Dept. of English	Member
9. Prof. (Dr.) Shibani Banerjee	Director, Public Relations	Member
10. Dr. D. S. Chouhan	Head, Dept. of Mathematics	Member
11. Dr. Ritesh Tirole	Controller of Examination	Member
12. Dr. Anandkumar A. Bhaskar	Head, Dept. of ECE	Member
13. Dr. Archana Gajbhiye	Head, Dept. of Biotechnology	Member
14. Dr. Prithvi Singh	Head, Dept. of Physics	Member
15. Dr. Deepak Pandey	Head(Officiating), Dept. of Mining	Member
16. Mr. Avinash Ojha	Head, Dept. of CE	Member
17. Dr. P K Panigrahi	Librarian	Member
18. Prof. (Dr.) G. Soral	External	Member
19. Prof. (Dr.) Udayprakash R. Singh	Registrar, Member Secretary	

1.2 ACADEMIC MEETINGS

Faculty meetings were regularly conducted across all departments to address various department-specific matters, including syllabus revisions, laboratory and workshop development, mentorship, manpower needs, subject allocation, and student performance evaluation. Industry input, alumni perspectives, student feedback, and faculty suggestions were considered in proposing changes to course content, credit structures, and the introduction of elective courses. These recommendations were then submitted to the Board of Studies for further review. Additionally, faculty-wide meetings were held to discuss broader issues such as student performance, hostel management, examinations, admissions, extracurricular activities, and student discipline, with proposals being prepared for submission to the Academic Council. Weekly meetings were also held among department heads, administrative unit leaders, the Registrar, Deans, and the President to discuss academic and administrative matters essential to the University's operations.

BOARD OF STUDIES SCHOOL OF ENGINEERING

Two meetings were conducted by the School of Engineering during the academic year 2023-24. The first meeting was held on October 31, 2023 and the second was held on January 24, 2024. The summary of the mentioned meetings is as follows

33rd MEETING OF THE BOARD OF STUDIES - October 31, 2023

In the meeting chaired by Prof. Arun Kumar the minutes of the previous meeting were confirmed and several proposals from various departments were discussed. Key decisions included the acceptance of course structure changes for M.Tech and B.Tech Programmes in Mechanical, Civil, Electronics & Communication, and Computer Science Engineering, all aligned with NEP 2020. Additionally, new course proposals in Mining Engineering, Biotechnology, Physics, Chemistry, Mathematics, and English were accepted. The Board recommended all accepted proposals for the approval of the Academic Council. Furthermore, it emphasized the need for collaboration among departments and agreed to organize a separate meeting of Heads of Departments to discuss curriculum development strategies.

34th MEETING OF THE BOARD OF STUDIES - January 24, 2024

The meeting was chaired by Prof. Arun Kumar, Dean-SoE. The minutes of the previous meeting were confirmed unanimously. The meeting discussed action taken on prior decisions, including curriculum development suggestions, leading to recommendations for a separate meeting of Heads of Departments. Significant revisions in course structures for the B. Tech and M. Tech Programmes across various departments,

including Civil, Computer Science, Electronics, Mechanical, and Mining Engineering, were accepted and forwarded to the Academic Council for approval. The meeting also addressed changes in credit structures for multidisciplinary courses, course code revisions for major projects, and credit mapping for lateral entry students. Additionally, proposals from the School of Liberal Studies were presented, including a list of courses under Ability Enhancement, Skill Enhancement, and Multidisciplinary categories for the 2023-27 batches. The meeting concluded with a commitment to continue aligning course structures with NEP 2020 guidelines.

SCHOOL OF MANAGEMENT

35th MEETING OF THE BOARD OF STUDIES - October 30, 2023

The 35th Board of Studies (BoS) meeting was held on October 30, 2023 with the participation of key internal and external members. The external members consisted of Prof. (Dr.) Amitabh Deo Kodwani (Academic Expert) and Dr. Tauseef Zia Siddiqui (Industry Expert). The following were the key changes suggested and approved during the meeting.

- a) A few MDCs, SECs, AECs, VACs, and minor courses offered from 3rd Semester onwards were incorporated as per NEP 2020 in BBA and MBA 2022-25 batches.
- b) For BBA (2022-25) batch, a new course Marketing Management was introduced in Semester I which was offered in Semester II earlier. It was decided to move Macroeconomics for Business from Semester II to Semester III and Introduce the course Organization Behaviour in Semester II. The new courses Management & Cost Accounting and HRM were introduced in Semester III. In Semester IV, all the core courses (Business Research Methods, Production and TQM, Business Law, Financial Statement Analysis) were introduced to help the students for their placement interviews in Semester V. In Semester V, the new courses Financial Management, Logistics and Supply Chain Management, and Project Management were introduced.
- c) For BCom (as per NEP 2020), a new programme structure was aligned with ACCA in order to launch BCom with ACCA Programme. Besides, MDCs, SECs, AECs, VACs courses, minor courses were incorporated to be offered from Semester I onwards.
- d) For MBA Programme structure (as per NEP 2020) including that for Working Professionals, SECs and VACs courses were incorporated along with the existing programme structure from the Semester I onwards.
- e) For MBA-Business Analytics with SAS including that for Working Professionals, Corporate Ethics and Social Responsibility was decided to be introduced as a new course in Semester I.
- f) The names of Prof. (Dr.) Sadananda Prusty, Dr. Bright Akwasi Gyamfi, Dr. Neeti Mathur, and Dr. Imran Anwar were approved to guide PhD Scholars as major advisors.
- g) ISO 26000 and ISO 31000 were decided to be incorporated in ethics-related courses as per the suggestion of Dr. Siddiqui (external BoS member).

36th MEETING OF THE BOARD OF STUDIES - January 12, 2024

The 36th Board of Studies (BoS) meeting was held on January 12, 2024 with the participation of key internal and external members. The external members consisted of Prof. (Dr.) Amitabh Deo Kodwani (Academic Expert) and Dr. Tauseef Zia Siddiqui (Industry Expert). The following were the key points discussed and approved.

- a) For BBA (2022-2025 batch), as per the new guidelines of UGC, MDCs (Multidisciplinary Courses) in Semester IV and V was decided to be removed (2 credits each) since the minimum credits required are 9 (Students will study 11 credits of MDCs in BBA Programme). Further, SECs (Skill Enhancement Courses) in Semester V were removed (2 credits) since the minimum credits required are 9 (Students will study 11 credits of SECs in BBA programme). For BBA Semester VI, research project of 5 credits was removed (as new UGC guidelines suggest zero credit for the same). Additionally, Mini Project of 2 credits was removed from BBA Semester IV. Workshop of 2 credits was removed from BBA Semester VI. Overall Credits of BBA (2022-2025) batch were reduced from 140 to 125.
- b) For BBA/B. Com (2023-26) batch, Students will study MDC (Multidisciplinary Course) - 'Fundamentals of Library Management' of 2 credits in Semester III. VAC (Value Added Course) in Semester III of 2 credits was removed as minimum credits suggested by new UGC guidelines is 6 and students would cover 6 credits in these Programmes. Summer Internship in Semester III of 4 credits was removed as maximum credits suggested in new UGC guidelines is 4 (The current curriculum had 8 credits). The students would now cover 4 credits of Summer Internship in Semester V. Mini Project of 2 credits was removed from BBA Semester IV. Workshop of 2 credits was removed from BBA Semester VI. BBA Semester VI Research Project of 5 credits has been removed. VAC offered by SOM in Semester III (Management Lessons from Indian Scriptures (VAM2301) of 2 credits) was removed from the list of VAC courses and would not be offered by SOM. AEC (Ability Enhancement Course) of 2 credits 'Written Communication' (AEL2201) was not to be offered by the School of Liberal Studies. Hence, a new course on 'Contemporary Issues in Management' (AEM2201, 0-2-0) was decided to be introduced by SOM in BBA Semester II. Overall credits of BBA/ BCom (2023-2026) batch were reduced from 140 to 125.
- c) For the MBA (2022-24) batch, the VAC course offered in Semester III of MBA was moved to Semester IV. A new course on 'Professional Ethics' was proposed to be introduced as a VAC course (VAM4401, 0-2-0).
- d) For all the MBA (2023-25) batches including working professional and Business Analytics with SAS, Professional Ethics (VAL4201, 0-2-0) offered by School of Liberal Studies as Value Added Course to the PG Programmes was decided not to be offered because students have already read 'Ethics' in their functional areas of different courses. Thus, 2 credits of VAC in MBA BA Semester II, MBA BA for WP Semester II and MBA for WP Semester II were removed. Further, SEC (Skill Enhancement Course)

offered in Semester II of MBA, MBA BA, MBA for WP, MBA BA for WP was introduced by SOM of 2 credits, i.e., Office Automation (SEM4201, 0-2-0). Workshop (MGM4281) of 1 credit was removed in Semester II for MBA and MBA for Working Professional Programmes. VAC (Value Added Course) of 2 credits was removed from MBA Semester III. Overall, total credits of MBA and MBA for Working Professionals had been revised from 100 to 97. Total credits of MBA Business Analytics with SAS and MBA Business Analytics with SAS for working professionals had been revised from 100 to 98.

- e) It was decided that BBA and B. Com would have the duration of 4 years (as per NEP 2020) with effect from Academic Year 2024-25 to confer Honours degree, but with an exit option after 3 years.

ACADEMIC COUNCIL

During the session two Academic Council meetings were held:

48th MEETING OF THE ACADEMIC COUNCIL - November 2, 2023

The 48th Academic Council meeting began with a welcome and apologies for absences. The Hon'ble President, Prof. (Dr.) M.K. Vajpayee, discussed key initiatives, including technology integration, NEP 2020 implementation, research promotion, and NAAC preparedness. The council confirmed the previous meeting's minutes, reviewed completed actions, and approved recommendations from the Schools of Management, Engineering, and Liberal Studies, with a few exceptions. Examination results, adjunct professorships, and details for the tenth convocation were also approved. Additionally, reports on placements, HR changes, admissions, and library renovations were presented, and PhD advisors for the School of Management were appointed. The meeting concluded with a vote of thanks.

49th MEETING OF THE ACADEMIC COUNCIL - February 1, 2024

The 49th Academic Council meeting began with a welcome and acknowledgment of absentees. The Hon'ble President, Prof. (Dr.) M.K. Vajpayee, outlined his vision for the university's progress, emphasizing research, innovation, NEP 2020 implementation, and staff welfare. The council confirmed the minutes of the previous meeting and approved recommendations from the School of Management, including significant revisions to the BBA, B.Com, and MBA Programmes as per NEP 2020 guidelines. The council also approved changes in various engineering and liberal studies Programmes, PhD advisor appointments, and examination results. Additionally, new policies on consultancies, honorariums, and the DSc/DLitt programme were approved. Updates on placements, admissions, and library status were presented, along with new proposals for the 2024-25 academic year. The meeting concluded with a vote of thanks.

BOARD OF MANAGEMENT

During the session three Board of Management meetings were held on:

30th MEETING OF THE BOARD OF MANAGEMENT - July 21, 2023

The Chairperson welcomed the Board of Management and Advisory Council members. Apologies from absent members were noted. The minutes of the previous meeting were confirmed. Prof. (Dr.) Padmakali presented a report on SPSU's ongoing progress, highlighting the university's development, technology integration, industry partnerships, and significant activities. A detailed financial report was reviewed and approved. New faculty appointments and resignations were noted. The establishment of the SPSU Training Academy and Research Centre (STAR Program) was discussed and appreciated. The proceedings of the 47th Academic Council meeting were approved. The meeting concluded with the announcement of the formation of a new board and a vote of thanks to the chairperson.

31st MEETING OF THE BOARD OF MANAGEMENT - November 20, 2023

The Chairperson welcomed the members and noted apologies from absentees. The minutes of the previous meeting were confirmed. The Board reviewed and approved the actions taken on prior matters, with members highlighting the importance of skill enhancement, industry engagement, practical learning, and new Programmes. Prof. (Dr.) M.K. Vajpayee reported on SPSU's recent achievements, including university rankings, 100% placement, global research initiatives, and new faculty appointments. The financial report for FY 2023-24 was presented and approved, with recommendations for more robust budget planning. Examination results for the 2022-23 academic session were approved, and degrees and medals for the upcoming convocation were confirmed. A Search Committee was established to appoint a new President, following UGC guidelines. The meeting concluded with a vote of thanks to the Chairperson.

32nd MEETING OF THE BOARD OF MANAGEMENT - May 22, 2024

The Chairperson welcomed the Board members, and apologies from absentees were noted. The minutes of the previous meeting were confirmed. The Board expressed satisfaction with the appointment of Prof. (Dr.) Prithvi Yadav as the new President and reviewed the university's ongoing progress. The financial report for FY 2023-24 and the proposed budget for FY 2024-25 were approved. The Board also reviewed new appointments, resignations, and approved the revised seat intake for the 2024-25 academic year, along with the fee structure and scholarships. The recommendations from the 49th Academic Council meeting, including course credit revisions and examination results, were approved. The meeting concluded with a vote of thanks to the Chairperson.

1.3 INTERNAL QUALITY ASSURANCE CELL (IQAC)

The main objective of IQAC is to develop a system for conscious, consistent, transformation in the university's overall performance on all fronts. It plays a significant role in driving and guiding quality enhancement by implementing well-planned strategies for continuous improvement.

The IQAC has been involved in preparing many reports highlighting the activities of the College, capacity-building programmes, and interaction sessions for both teaching and non-teaching staff. The IQAC, through its activities, has been an agent of change in the Institution, ensuring efficient performance of academic and administrative tasks.

The primary objectives of IQAC are:

- To provide a platform for the university's growth in terms of research outcomes, focus on affordable, quality technical education to students from all the economic strata.
- To achieve student development through the institutionalization of best practices at all fronts

STRATEGIES

IQAC shall evolve mechanisms and procedures for

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- Relevant and quality academic/ research programmes in accordance with the NEP 2020 framework
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of assessment and evaluation processes
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions.

FUNCTIONS

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks
- Discussion on infrastructure upgradation
- Parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning processes
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters to all stakeholders
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices
- Periodical conduct of Academic audit and its follow-up

BENEFITS

IQAC will facilitate / contribute to:

- Enhance quality institutional functioning
- Incorporate quality culture
- Manifest and coordinate various activities of the institution and systemize all good practices
- Provide a strong base for decision-making to upgrade institutional functioning
- Build efficient documentation and internal communication

RECENT ACTIVITIES OF IQAC

- Preparation and submission of AQAR
- Preparation of calendar of events
- Participation of SPSU in National Level Ranking Frameworks including Best B-School Survey 2024
- Guidance to prepare course delivery plan and activity-based learning
- Conducted a Workshop - OBE implementation on ERP. Resource Person - Dr. Anand Bhaskar, Associate Professor & Department of ECE, SPSU. May 15, 2024
- Taken Initiative for the establishment of a rooftop Rainwater Harvesting System as a PILOT project

1.4 UNIVERSITY LIBRARY

The SPSU Central Library supports the teaching and research activities of the University by facilitating the acquisition, organization and dissemination of knowledge resources. It is fully automated and has a collection of latest and most up-to-date resources which include books, journals, CDs/DVDs, online archives, theses, etc. The collection pertains to various fields of engineering, management and allied subjects. Library services are open to all library users. Library hours are 09:30 am to 07:00 pm and during examinations the library is open on Saturday and Sunday: 09:30 am to 05:30 pm. Library is fully automated with ERP-Software.

LIBRARY SERVICES

The following services are provided in the library:

- (a) **Circulation** - The Circulation Section maintains a record of the issues, renewals, and return of books. Each student is entitled to borrow 4 books for 14 days only. Faculty members are allowed to issue 10 books at a time for one month.
- (b) **Reference Service** - The reference section of the library contains the books, and other reference materials that can help the library users to get quick reference materials.
- (c) **Overnight issue facilities** - The library has overnight issue facilities of old magazines, CD/DVD. During the examination period, students are allowed to issue one book overnight in addition to their regular issue facility.
- (d) **Photocopying Services** - There is a photocopy machine outside the library. Library users can take photocopies on payment basis.
- (e) **Library OPAC** - <https://spsu.servergi.com:8071/OPACSPSU/#/search/basic>
- (f) **Digital Library** - The Digital Library consists of 24 thin client systems with internet connections. Online resources are accessible.

1.5 INFORMATION TECHNOLOGY SERVICES (ITS)

The primary goal of the Information Technology Services (ITS) Department is to provide comprehensive IT services to students, faculty, staff, and residents on campus. ITS oversees the entire SPSU network, including network infrastructure, devices, peripherals, computer laboratories, and the digital library. All services are centrally managed from the server room located in the LAB block of the University. The ITS team is also responsible for designing and maintaining the SPSU domain and website (www.spsu.ac.in), ensuring it delivers the latest information about the University.

Some achievements/highlights of ITS in the 2023-24 session are as follows:

- Optimization of Network/IT infrastructure
- Wi-Fi installation done in BH-2, BH-3 & GH-2
- BYOD Computer Lab Networking

The **procurements** made during the 2023-24 year are as follows:

HARDWARE

S. No.	Description and Specification	Qty
1	D-Link DGS-F1018P-E PoE gigabit Switch	3
2	WIFI Devices 1200 NPTech 042023	1
3	LaserJet Cartridge 925	1
4	TP-Link Wireless N Router TL-WR845N S.No: 222A1E7003508, 222A166003377, 222B4Y1004421, 222B441001139, 22351J6009753	5

SOFTWARE

Name of the Software	Type of Licence
Microsoft Cloud Education Learning Campus Agreement	Yearly Subscription
Adobe Systems Software Creative Cloud All Apps 100GB	1 Year Subscription
Site Ground Hosting	2 Years Subscription
Zoom Workplace Pro Annual subscription with 500 Participants meeting	1 Year Subscription

FUTURE PLANS

- WiFi installation in the BH-4, GH-1, GH-3, Studio Apartment
- Camera Surveillance phase II includes: BH-2, BH-3, BH-4, and Studio Apartments
- Emphasis on Servers/Application virtualization:
- Redesign and installation of virtual machines and backup domain controller in the
- servers, moving some of the SPSU ERP systems to cloud
- Creation of L3 switch as a load balancer to provide network redundancy
- Creation of complete ERP system implementation
- Installation of complete surveillance system in the University

1.6 SPSU ALUMNI ASSOCIATION

Sir Padampat Singhania University Alumni Society was registered on April 6, 2022 with the Registration No. COOP/2021/UDAIPUR/201656 under the Rajasthan Societies Registration Act, 1958. There are certain numbers of elected faculty members and non-teaching staff from SPSU with their respective responsibility and designation in this registered society. There are elected student members in this society at the time of formation (who joined with their respective AADHAR IDs). The structure of this registered society is being reorganized and shall be updated very soon from the concerned associated Department in the Collectorate Division of Udaipur City. The number of the present registered alumnus is 725. These alumni will extend their help in Placements Activities, Incubation and Entrepreneurial Works as well as Admission Procedure. The elected faculty members and non - teaching staff are as follows.

1. Dr. Amrit Ghosh, Chairman
2. Dr. Harish Tiwari, Vice Chairman
3. Dr. Manish Dadhich, Secretary & Treasurer
4. Dr. Chandani Joshi, Joint Treasurer
5. Mr. Aman Jain, Joint Treasurer
6. Prof. Suneel Gupta, Director Member
7. Dr. Prithvi Singh, Director Member
8. Mr. Mukesh Mishra, Director Member

On August 28, 2024 this society executed an online process for New SAN (Sanstha Aadhar Number) and the SAN is 1067300000000061 which is registered under the Department of Statistics, Directorate of Economics & Statistics, Jaipur, Rajasthan and under this scheme, the registered society of SPSU ALUMNI, i.e. SPSU ALUMNI SOCIETY (REGD.) can do the work of an NGO.

1.7 VISITS OF DIGNITARIES

S.No.	Dignitaries Visited	Affiliation	Visited for	Date of Visit
1	Mr. Puneet Sharma Chief Planning Officer	Nagar Nigam, Udaipur	Smart India Hackathon Prelims	September 27, 2023
2	Mr. Jayesh Sharma Director	i-Diary IT Solutions Pvt. Ltd.		
3	Dr. Yogesh K Meena	IIT Gandhinagar		
4	Prof. O P Vyas	IIIT-Allahabad	International Faculty Development programme (IGRP 24)	March 14, 2024
5	Dr. Karan Nathwani	IIT Jammu		March 15, 2024
6	Mr. Kshitiz Verma	JKLU, Jaipur		March 16, 2024
7	Dr. Govind L Kumawat	IIM Udaipur		March 16, 2024
8	Prof. Rahamatullah Khondoker	THM University of Applied Sciences, Germany		March 17, 2024
9	Dr. Kanwar S Nalwa	IIT Kanpur		March 18, 2024
10	Mr. Vinay K Yadav	VISRON Pvt. Ltd. Rajasthan	Session on advancements in Drone Technology	April 25, 2024
11	Ms. Nidhi Sharma and Mr. Rajat Agarwal	RedHat Academy and GRRAS Pvt. Ltd., Jaipur	Session on Linux Operating System & awareness about Global Certification on RedHat Platform	May 10, 2024
13	Ms. Charu Jain	Xebia	Session on Advancements in AI and ML	June 12-13 2024

2.0 PROGRAMMES OFFERED

INTRODUCTION

As part of its commitment to excellence in education, Sir Padampat Singhania University (SPSU) has aligned its academic framework with the National Education Policy 2020 (NEP 2020), introduced by the Ministry of Human Resource Development, Government of India. Starting from the academic year 2023-24, the curriculum for all undergraduate (UG) and postgraduate (PG) programmes across the School of Engineering, School of Management, and School of Liberal Studies have been redesigned to meet NEP 2020's recommendations for higher education. This redesigning applies to batches admitted in the 2022-23 academic year.

KEY OBJECTIVES OF SPSU'S ACADEMIC FRAMEWORK (2023 CURRICULUM):

- Equip students with industry-ready skills through a multidisciplinary and application-oriented approach
- Empower students to pursue their interests by allowing them to select courses aligned with their strengths
- Foster creativity and innovation through a broad array of course offerings

The courses in each semester are structured into the following categories:

1. Major Core Courses
2. Minor Courses
3. Multidisciplinary Courses (MDC)
4. Ability Enhancement Courses (AEC)
5. Skill Development Courses (SEC)
6. Value-Added Courses (VAC)
7. Summer Internship
8. Research Project/Dissertation
9. Discipline-Specific Elective Courses

The curriculum meets the minimum credit requirements as recommended by NEP 2020. In the Minor category, students can select tracks from various departments, while MDC, AEC, SEC, and VAC categories offer a range of courses from which students can choose. The curriculum also emphasizes experiential learning through internships, research projects, and dissertations.

SPSU's academic framework follows the CBCS system, emphasizing flexibility, multidisciplinary studies, industry-led Programmes, holistic development, and student-centric approaches. Other features include industry integration, technology-enabled learning, blended learning, classroom sessions, workshops, seminars, certification Programmes, and assignments relevant to industry needs.

PROGRAMMES OFFERED

SCHOOL OF ENGINEERING (SoE)

SPSU offers both undergraduate and postgraduate industry-integrated programmes in the following:

- Department of Biotechnology
- Department of Civil Engineering
- Department of Computer Science and Engineering
- Department of Electronics and Communication Engineering
- Department of Electrical Engineering
- Department of Mechanical Engineering
- Department of Mining Engineering

UNDERGRADUATE PROGRAMMES

- B.Tech Civil Engineering
- B.Tech Computer Science & Engineering
- B.Tech Electronics & Communication Engineering
- B.Tech Mechanical Engineering
- B.Tech Mining Engineering

POSTGRADUATE PROGRAMMES

- M.Tech Civil Engineering (Specializations - Structural, Environment, Transportation)
- M.Tech Civil Engineering (Part-Time - Specializations - Structural, Environment, Transportation)
- M.Tech Computer Science and Engineering (Specializations - Computer Networks, Data Science)
- M.Tech Electronics and Communication Engineering (Specializations - VLSI and Embedded Systems)
- M.Tech Electrical Engineering (Specialization - Power Systems)
- M.Tech Mining Engineering (Specializations - Mine Environment, Mine Planning)

DOCTORAL PROGRAMMES

- Civil Engineering
- Mechanical Engineering
- Electronics & Communication Engineering
- Computer Science & Engineering
- Mining Engineering
- Physics
- Chemistry
- Mathematics

SCHOOL OF MANAGEMENT (SoM)

SPSU's School of Management offers industry-integrated BBA and MBA programmes. New programmes introduced for 2022-23 and 2023-24 include:

UNDERGRADUATE PROGRAMMES

- BBA (Specializations - Hospitality, Tourism, Digital Marketing)
- B.Com Honours

POSTGRADUATE PROGRAMMES

- MBA (Specializations - Finance, HR, IT, Marketing)
- MBA - Business Analytics
- MBA for Working Professionals (Specializations - Finance, HR, IT, Marketing)
- MBA - Business Analytics for Working Professionals

DOCTORAL PROGRAMMES

Ph.D. in Management

SCHOOL OF LIBERAL STUDIES

The School of Liberal Studies introduced new programmes in 2023-24, emphasizing multidisciplinary and technology-driven education.

UNDERGRADUATE PROGRAMMES

- BCA (Specializations - Data Science, AI/ML)
- Bachelor of Design (Specializations - UX Design, Game Design & Animation)

POSTGRADUATE PROGRAMMES

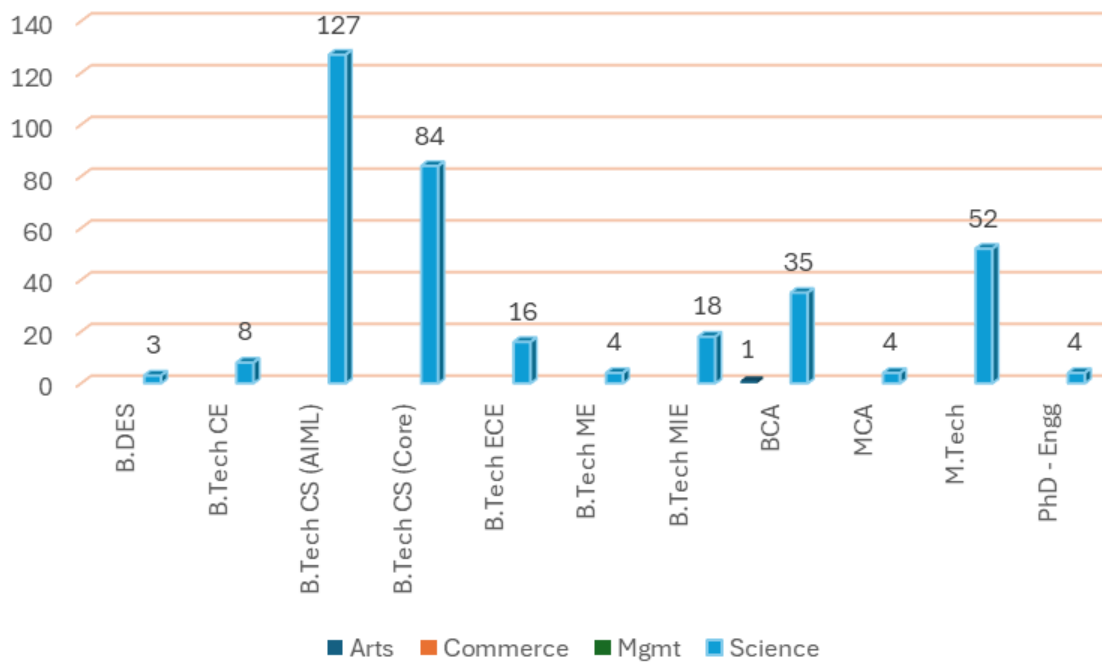

MCA

2.1 ADMISSIONS 2023-24

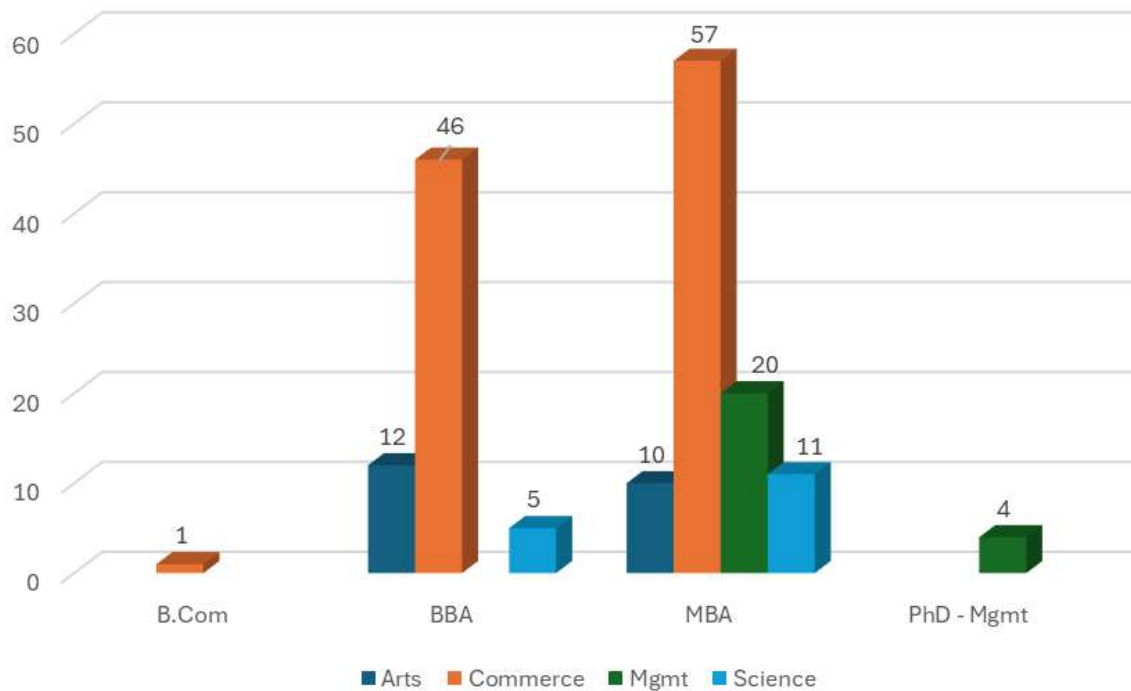

Program wise Admissions - 2023-24 (Total Intake 522)

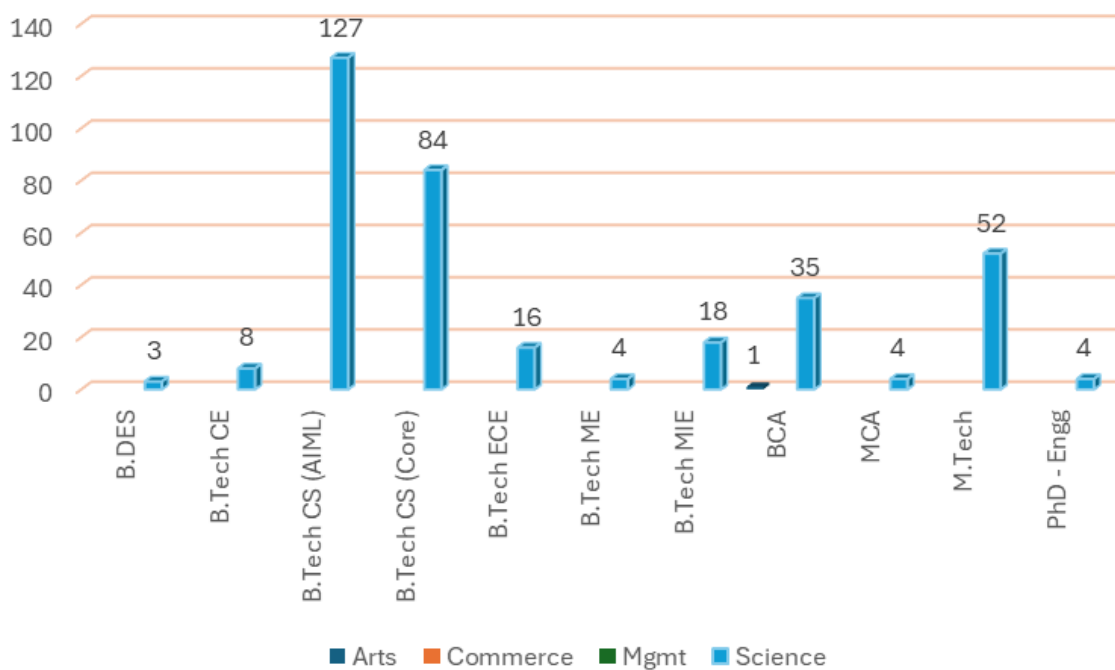

Stream-wise last Qualification of Admitted Students - Engineering

Stream-wise last Qualification of Admitted Students -
Management

Stream-wise last Qualification of Admitted Students -
Engineering

2.2 OUTREACH ACTIVITIES

INTRODUCTION

With a steadfast commitment to empowering the educational ecosystem in Udaipur and beyond, SPSU has been actively conducting various outreach initiatives aimed at enriching the local educational landscape. These activities, led by the Outreach Manager Mr. D.K. Gupta, emphasize skill development, career advancement, teacher capacity building, leadership development, and SDG awareness.

Career Clubs in Schools:

SPSU has established Career Clubs in fifteen schools, providing ongoing support for skill development and career advancement throughout the academic year. These clubs serve as vital resources for students, offering guidance and opportunities to explore various career paths. Some of the schools are Alok Sr. Sec.

L. K. Singhania Education Centre, Gotan

School, Udaipur, St. Anthony's Sr. Sec. School, Udaipur, L. K. Singhania Education Centre, Gotan, St. Paul's Sr. Sec. School, Udaipur, PM Shree Kendriya Vidyalaya No. 2, Udaipur.

Campus Visits: To enhance career awareness, SPSU organized campus visits for 520 Grade 12 students, accompanied by Career Enrichment Workshops designed to help them in making informed career choices. These workshops aimed at providing practical

insights and focused on interactive sessions with professionals. Students from St. Mathews School, Udaipur, B. N. Public School, Udaipur, L. K. Singhania Public School, Nimbahera, Jawahar Navodaya Vidyalaya, Mavli.

Capacity Building Workshop:

SPSU conducted Capacity Building Workshops for 583 teachers from 12 schools focusing on enhancing their pedagogical skills and subject matter expertise. These workshops equipped the teachers with innovative teaching strategies and nurtured a collaborative environment for sharing best practices as per NEP-2020 guidelines.

Maharana Mewar Public School, Udaipur

Leadership Development: The university hosted Leadership Development Workshops for 150 School Leaders of 15 schools emphasizing effective school management and strategic planning. Through these sessions, SPSU aimed to nurture visionary leaders capable of inspiring transformative change within their institutions

150 Leaders of 15 schools in the Leadership Development Workshop

SDG Workshops: SPSU conducted SDG workshops in 10 schools, aligning with the UN's 2030 Agenda, raising awareness among 2,000 students and educators on sustainable development and responsible practices.

The outreach activities enhanced career readiness for 2,500 students, improved teaching methods for more than 200 educators and strengthened leadership among 150 school leaders. Partnerships with 40 schools and local stakeholders promoted awareness and boosted admissions. A consultancy project with Jawahar Navodaya Vidyalaya further deepened community engagement.

2.4 THE TENTH CONVOCATION CEREMONY

The Tenth Convocation of Sir Padampat Singhania University for the graduating batches of 2023 was held on Monday, November 20, 2023 with great grandeur and fanfare. Prof. (Dr.) M.K. Vajpayee, President, SPSU welcomed Honourable Chairperson Dr. Nidhipati Singhania, distinguished guest Mrs. Vidhi Singhania, Chairperson - LK Singhania Education Center, Dr. Raghavpat Singhania, Managing Director, JK Cement, Mr. Ajay Saraogi, Deputy Managing Director and CFO JK Cement, Col. Sanjay Sinha, Head of Education, Education Vertical, JK Cement, Mr. Amit Kothari, Group President Strategy, JK Cement, Shri. Mangal Dev, Head, Hitachi Railway Systems, Business India and South Asia and Dr. Ashok Khosla, Chairman, Taralife Sustainability Solutions Pvt. Ltd. The Guests of Honour were Shri. Nitin Mukesh, celebrated playback singer, Mr. Sudhanshu Mani, Creator of Vande Bharat Train, Ms. Mithali Raj Ace Cricketer, Mr. Mukesh S Bhatt, renowned actor and theatre artist and Mr. Anil Kejriwal distinguished scientist and venture capitalist. They were also conferred with Honoris Causa for the significant contribution in their respective fields.

The President's address in the convocation highlighted the strategic industry-academia partnerships, international collaborations, University ranking, research and Centers of Excellence. He also briefed the august gathering about the various prominent events of the University like the fourth YP Singhania Memorial lecture, Panache- the Annual Techno Cultural Management Fest, Sangyaan - The Orientation Programme and other major accomplishments of the University.

The students from School of Engineering and Management were awarded the degrees. S Gnana Varshine, B.Tech (ECE) was awarded the Chairperson's Gold Medal. The President's Medal were awarded to S Gnana Varshine B.Tech (ECE), Yashpriyadeep Katta B.Tech (CSE), Mamuru Deepika Reddy B.Tech (ME), Ruchi Doshi (M.Tech) and Manjot Kaur Bhatia (MBA). The Sushila Singhania Scholarship of 100% tuition fee waiver was awarded to Yashpriyadeep Katta B.Tech (CSE).

Miltai Raj receiving the prestigious Honoris Causa

2.5 GRADUATION DETAILS 2023 - 24

Details of the students graduated in the academic year 2023-24 are as follows:

SCHOOL OF ENGINEERING

Programme	Number of Students
B. Tech	
Biotechnology	1
Civil Engineering	1
Computer Science and Engineering	19
Electronics and Communication Engineering	3
Mechanical Engineering	5
Mining Engineering	2
Total	31

Programme	Number of Students
M Tech	
Civil Engineering	22
Computer Science & Engineering	3
Electrical Engineering	1
Electronics & Communication Engineering	2
Mining Engineering	3
Total	31

Programme	Number of Students
Ph.D	9

SCHOOL OF MANAGEMENT

Programmes	Number of Students
BBA	21
MBA	81
Total	102

2.6 NEW ACADEMIC INITIATIVES

2.6.1 VISRON PRIVATE LIMITED

*President Prof. (Dr.) Prithvi Yadav and team SPSU
with Mr. Vinay Yadav*

Sir Padampat Singhania University signed a Memorandum of Understanding (MoU) with Visron Private Limited to integrate drone technology into its educational curriculum. This initiative will provide students with comprehensive knowledge and skills in various technical aspects of drone technology, including GIS, designing, drone flying, and software technology related to drones. Prof. Prithvi Yadav, Vice

Chancellor, SPSU, expressed his vision for this collaboration, stating, "Our goal is to empower SPSU students with in-depth knowledge and skill sets in drone technology. This agreement will open new avenues and future prospects for our students."

This partnership aims to enhance students' understanding of drone technology through workshops and curriculum courses and equip students to meet modern technological demands and excel in diverse industries. The collaboration marks a revolutionary step in SPSU's education system, offering students a competitive edge and preparing them for successful careers.

2.6.2 RED HAT ACADEMY

In a significant step towards enhancing technical education and career readiness for its students, Sir Padampat Singhania University, Udaipur (SPSU) proudly inaugurated the Red Hat Academy on May 16, 2024. This strategic collaboration with Red Hat, a global leader in open-source solutions, is geared towards equipping students with industry-relevant skills and certifications in Linux and open-source technologies. The ceremony was graced by Prof. (Dr.) Prithvi Yadav, the Honourable Vice Chancellor and President, SPSU who highlighted the importance of industry-academia collaboration in today's rapidly evolving technological landscape. He illustrated that the launch of Red Hat Academy at SPSU signifies the university's commitment to providing students with cutting-edge education and practical skills, thus enhancing their employability. Ms. Nidhi Sharma, Red Hat Coordinator and IT Head, GRRAS Solution Pvt Ltd, emphasized the global demand for open-source professionals and the pivotal role that Red Hat Academy plays in bridging the skills gap. The academy offers hands-on training, industry-

recognized certifications, and access to Red Hat's extensive resources and expertise, preparing students for the challenges of the IT industry. The event witnessed the participation of various dignitaries including Rajat Goyal, Director of GRRAS Solutions Pvt. Ltd, Prof. Prasun Chakrabarti, Dean, School of Engineering, Prof. Alok Kumar, Head, CSE, Industry Collaboration Coordinator Dr. Chandani Joshi, faculty members, industry partners and enthusiastic students.

2.6.3 L&T EduTech

Sir Padampat Singhanian University, Udaipur and L&T EduTech signed MoU on May 27, 2024 to jointly run industry integrated B.Tech programmes in Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering and Computer Science and

*President Prof. (Dr.) Prithvi Yadav and team SPSU with
Mr. Ashok Sahu and Mr. Apurva Sinha*

Engineering. SPSU is the first university to launch the industry integrated engineering programmes in association with L&T EduTech in southern Rajasthan. Prof. (Dr.) Prithvi Yadav, President and Vice Chancellor SPSU, stated that this partnership would revolutionize engineering education by providing students with live industry

exposure through simulated laboratories and immersive programmes. Representatives from L&T EduTech, Mr. Ashok Sahu and Mr. Apurva Sinha, emphasized that the company will offer internship support and job opportunities to students. L&T EduTech is a subsidiary of Larsen and Toubro (L&T), an Indian multinational company that operates in over 50 countries worldwide. The joint BTech programmes aim to enhance students' conceptual understanding and expose them to professional practices from an industry perspective, thereby increasing their employability and creating industry-ready talent.

2.6.4 IDEALABS FUTURE TECH VENTURES

Sir Padampat Singhanian University marked a significant milestone during its International Conference on 'Navigating the Future, AI, Blockchain, and Sustainable Development in the G20 World' held on April 19-20, 2024. The conference culminated in a pivotal Memorandum of Understanding with Idealabs Future Tech Ventures, Hyderabad, to establish a 'Start-up Studio and Incubation Centre' at the university. Additionally, SPSU secured a research collaboration with the Singapore Institute of Technology, highlighting its commitment to fostering innovation and global partnerships.

2.6.5 LA TROBE UNIVERSITY, AUSTRALIA

Fostering internationalization and enriching student experience Sir Padampat Singhania University, Udaipur signed a Memorandum of Understanding (MoU) with La Trobe University, Australia on August 10, 2023. Prof. (Dr.) Padmakali Banerjee, President and Vice Chancellor, SPSU remarked that the MoU focuses on establishing a Centre of Excellence in the field of cyber security, promote interdisciplinary collaboration, serve as a knowledge hub, engage in policy and advocacy, incubate innovation, faculty and student exchange programmes, conduct outreach and community engagement. She highlighted that this landmark agreement aims to pave the way for collaborative efforts, knowledge exchange and ground-breaking research initiatives. Dr. Stacey Farraway, Deputy Vice Chancellor (Future Growth) from La Trobe University, Australia along with Mr. Mathew Johnston from the Australian High Commission highlighted the significance of Indo-Australian academic collaboration. The SPSU team worked dexterously along with Prof. Amalia Di Iorio, Prof. Wenn Rahayu, Prof. Naveen Chilamkurti, Mr. Amit Malhotra, Ms Lisa Kendal from La Trobe University Australia, experts from Acumen Prof. Bhawna Kumar, Ms. Marnie Watson, Mr. Mark Taylor, and Mr. Harish Ananth to turn this unique partnership into a reality.

2.6.6 IMAGINXP

Sir Padampat Singhania University, Udaipur signed a Memorandum of Understanding with ImaginXP - leading Ed-tech organization in Future-Skills for Design, Business and Technology. The collaboration emphasizes on internationalization, gamification, start-up ecosystems, dynamic industry ready curriculum, hands on learning as the key focus areas of the teaching learning pedagogy at SPSU. Mr. Chinmoy Rajwanshi, Founder, ImaginXP signed the MoU. The University under the broad umbrella of School of Liberal Studies has launched one of the most sought after programme: B.Des in User Experience Design, Game Design and animation and Visual graphics. The programme shall cater to the needs of the industry by providing real time learning experience, interaction and live projects with the corporates and shall work on a pedagogy leading to employability.

2.6.7 INTI INTERNATIONAL UNIVERSITY, MALAYSIA

Sir Padampat Singhania University, committed to providing its students with global exposure, strengthened its international partnerships by signing an MOU with INTI International University, Malaysia, on October 4, 2023. This MoU is an initiative of the School of Management.

2.7 SWAYAM LOCAL CHAPTER

The SWAYAM NPTEL Local Chapter at Sir Padampat Singhania University was established in February 2016. The University President nominated Mr. Aman Jain, an Assistant Professor in the Department of Civil Engineering, as the Single Point of Contact (SPOC).

CHAPTER RESPONSIBILITIES

The Local Chapter has been actively raising awareness and promoting the diverse array of courses offered by SWAYAM NPTEL. The Chapter is crucial in assisting students and faculty members with enrolment and identifying suitable faculty members to serve as mentors for enrolled students.

SUPPORT AND SERVICES

One of the Local Chapter's primary responsibilities is supporting online certification exam registrations. Additionally, it facilitates the seamless implementation of the Credit Transfer Policy and Framework through the SWAYAM Portal, ensuring a smooth credit transfer process for the University's students.

SWAYAM NPTEL LOCAL CHAPTER ACHIEVEMENTS

STUDENT AND FACULTY ENGAGEMENT

A number of students and faculty across multiple departments, including Computer Science and Engineering, Electronics and Communication Engineering, Business Administration, Mining Engineering, and Commerce, actively participated in SWAYAM NPTEL courses during the Academic Year 2023-24 leading to more than 350 enrolments.

ACHIEVEMENT HIGHLIGHTS

Participants earned a total of 29 certifications during this period, with a few students achieving 'Elite' and 'Elite + Silver' certificates

ELITE + SILVER CERTIFICATE HOLDERS (Students)

Ms. Varnika Gupta (Computer Science and Engineering)

Mr. Bibek Jaishi (Electronics and Communication Engineering)

Mr. Syed Afroz Hussain (Mining Engineering)

ELITE CERTIFICATE HOLDERS (Faculty)

Dr. Ashutosh Gupta, Department of Computer Science and Engineering, earned 'Elite' certificates in "Affective Computing" and "Edge Computing."

COURSE COMPLETION AND CERTIFICATION

Students successfully completed their coursework and earned a certificate in various courses such as "AI in Marketing", "The Joy of Computing using Python", "Data Analytics with Python" and "Advances in Strategic Human Resource Management (HRM)."

RECOGNITION

Mr. Aman Jain was awarded a certificate of appreciation as an Active SPOC (January - April 2024) by the SWAYAM NPTEL Coordinator at IIT Madras for his instrumental role in managing the SWAYAM NPTEL Local Chapter at the university.

3.0 DIRECTORATE OF RESEARCH AND PUBLICATIONS AND OFFICE OF INTERNATIONAL AFFAIRS

3.1 INTRODUCTION

The Directorate of Research at the university serves as a hub for fostering innovation, advancing knowledge, and addressing global challenges through cutting-edge research. It supports and coordinates multidisciplinary research initiatives across various departments, promoting collaboration among faculty, students, and external partners. With a focus on both fundamental and applied research, the Directorate is dedicated to driving excellence, expanding the university's research capabilities, and contributing to societal progress through meaningful innovations and solutions.

3.2 RESEARCH COLLABORATIONS

Research collaborations provide immense benefits by fostering the exchange of knowledge, ideas, and resources across disciplines and institutions. They enable faculty and students to tackle complex global challenges, leverage diverse expertise, and access advanced research infrastructure. These partnerships enhance innovation, accelerate discoveries, and expand the university's research impact. By engaging in collaborative efforts, the university strengthens its reputation, attracts funding opportunities, and creates a vibrant academic community that drives progress and contributes to societal advancement. The DRP has initiated five research collaborations, namely,

- **Newcastle University, UK (Malaysia campus)**

Foreign collaborator - Dr. Anurag Sharma

SPSU collaborators - Prof. Prasun Chakrabarti and Dr. Amrit Ghosh

Topic - Artificial Intelligence and Mathematical modelling of strategic management towards environmental sustainability - Energy and Power Optimization Perspective

- **Lincoln University College, Malaysia**

Foreign collaborator - Prof. Sandeep Poddar

SPSU collaborators - Prof. Deepak Vyas, Dr. Tulika Chakrabarti, Dr. Archana Gajbhiye

Topic - Biomedical analysis of plant extracts

- **Industrial University of Ho Chi Minh City Vietnam**

Foreign collaborator - Prof. Bui Thanh Hung

SPSU collaborators - Dr. Yashoverdhan Vyas, Dr. Arvind Sharma, Lt (Dr.) D S Chouhan, Prof. Alok Kumar and Dr. Chandani Joshi

Topic - Artificial Intelligence and Stochastic Modelling perspectives of human thought process

- **Asian Institute of Technology Bangkok Thailand**

Foreign collaborator - Dr. Indrajit Pal

SPSU collaborators - Dr. Avinash Ojha, Mr. Aman Jain and Dr. Lokesh Gupta

Topic - Crisis Communication and Community Resilience - A Study on Public Awareness and Preparedness for disasters in India

- **Singapore Institute of Technology Singapore**

Foreign collaborator - Dr. Sivaneasan Bala Krishnan

SPSU collaborators - Dr. Tulika Chakrabarti, Dr. Amrit Ghosh and Prof. Prasun Chakrabarti

Topic - Environmental sustainability - A green chemistry and machine learning perspective

3.3 ADJUNCT INTERNATIONAL FACULTY MEMBERS

To enhance global academic collaboration and bring diverse expertise to our students, the DRP has actively engaged three internationally renowned adjunct faculty. These distinguished scholars and professionals contribute to the academic rigor and global perspective of our programmes, enriching the learning experience through cutting-edge research, real-world insights, and innovative teaching approaches. Their presence strengthens our university's commitment to providing a world-class education and fostering international partnerships. The term of these faculty members shall be for three years from November 1, 2023 - October 31, 2026.

- Prof Martin Margala, Director - School of Computing and Informatics, University of Louisiana USA. He is associated as Honorary Adjunct Research Professor in the School of Engineering.
- Prof Bhuvan Unhelkar, Professor, Muma School of Business, University of South Florida, USA, is associated as Honorary Adjunct Research Professor in the School of Management.
- Prof Sheng Lung Peng, Professor and Director (Head), Department of Creative Technologies and Product Development, National Taipei University of Business Taiwan, is associated as Honorary Adjunct Research Professor in the School of Management.

3.4 INTERNATIONAL CONFERENCES ORGANIZED BY THE DRP

- **INTERNATIONAL RESEARCH CONVENTION 2024 - March 19, 2024**

International Research Convention 2024 (IRC 24) provided an excellent international forum for sharing knowledge and research work in multiple disciplines. About ninety-two research papers were presented in the convention. It was a platform where 16 foreign professors of reputed universities along with one senior industry delegate from research oriented company as well as another senior scientist from national reputed government institute delivered keynote speeches.

The following were the keynote speakers –

- (a) Prof. Rahmatullah Khondokar, THM University of Applied Sciences, Friedberg, Germany
- (b) Prof. Bhuvan Unhelkar, University of South Florida, USA
- (c) Prof. Sheng-Lung Peng, National Taipei University of Business, Taiwan
- (d) Dr. Min Xu, Carnegie Mellon University, USA
- (e) Dr. Xiaoyang Wei, The University of Nottingham (China Campus)
- (f) Prof. Chinthaka Premachandra, Shibaura Institute of Technology, Japan
- (g) Dr. Yonghui Wu, Fudan University, China
- (h) Dr. Mohammad Nami, Canadian University Dubai, Dubai, UAE
- (i) Prof. Yuanwei Liu, Queen Mary University of London, London
- (j) Prof. Mark Goh, National University of Singapore, Singapore
- (k) Dr. Muhammad Imran, University of Glasgow, UK
- (l) Dr. Sivaneasan Bala Krishnan, Singapore Institute of Technology, Singapore
- (m) Prof. Indranil SenGupta, Florida International University, USA
- (n) Prof. Chin Shih Shieh, National Kaohsiung University of Science and Technology Taiwan
- (o) Prof. Bui Thanh Hung, Industrial University of Ho Chi Minh City, Vietnam
- (p) Dr. Indrajit Pal, Asian Institute of Technology, Thailand

• INTERNATIONAL CONFERENCE ON NAVIGATING THE FUTURE: AI, BLOCKCHAIN, SUSTAINABLE DEVELOPMENT IN THE G-20 WORLD April 19-20, 2024

In a world marked by rapid transformations, this conference serves as a compass for navigating the intricate landscapes shaped by Artificial Intelligence (AI), blockchain, and the imperatives of sustainable development within the context of the G-20 world. As we stand at the crossroads of innovation and responsibility, the conference is designed to be a convergence point for thought leaders, scholars, industry practitioners and policymakers. Together, we aim to unravel the potential synergies between AI and blockchain technologies, their impact on reshaping industries and economies, and their role in steering the course towards sustainable development goals. The G-20, representing a significant global influence, plays a pivotal role in shaping economic policies and fostering international collaboration. This conference offers a unique platform to dissect and discuss the implications of G-20 decisions on technological advancements, sustainability initiatives and the future of global work.

The following were the keynote speakers (foreign) –

- (a) Prof Bernardo Nicoletti, Temple University, Rome Campus, Italy
- (b) Prof Martin Margala, University of Louisiana, USA
- (c) Prof Sheng-Lung Peng, National Taipei University of Business, Taiwan
- (d) Dr Sivaneasan Bala Krishnan, Singapore Institute of Technology, Singapore
- (e) Prof Mark Goh, National University of Singapore, Singapore

- (f) Prof Bhuvan Unhelkar, University of South Florida, USA
- (g) Prof Naveed Yasin, Canadian University Dubai UAE
- (h) Prof Chinthaka Premachandra, Shibaura Institute of Technology, Japan
- (i) Prof Tingwen Huang, Texas A&M University, Qatar campus
- (j) Dr Bui Thanh Hung, Industrial University of Ho Chi Minh City Vietnam
- (k) Dr Indrajit Pal, Asian Institute of Technology Thailand, Bangkok
- (l) Prof Sandeep Poddar, Lincoln University College Malaysia

The following were the Keynote speakers (National) –

- a) Prof Pravakar Sahoo, NITI Aayog and Institute of Economic Growth
- b) Prof Poonam Garg, IMT Ghaziabad
- c) Mr Shubham Chatterji, SAS India

Mr Pankaj Diwan, IDEALABS Future Ventures Ltd., Hyderabad was the Invited Speaker In the conference.

3.5 FACULTY DEVELOPMENT PROGRAMME

MASTERING THE ART OF CRAFTING INTERNATIONAL GRANTS AND RESEARCH PROJECT PROPOSALS - March 14-18, 2024

The primary goal of this Faculty Development Programme was to equip participants with practical insights and skills on effectively navigating the process of preparing and submitting Indian/International grants, research/consultancy project proposals. The sessions were designed to provide a step-by-step guide, emphasizing key elements and strategies essential for successful submissions.

Resource Persons –

- (a) Prof. Rahamatullah Khondoker - THM University of Applied Sciences, Germany
- (b) Prof. O.P. Vyas - Professor & Dean (Tech. & Develop.), IIIT Allahabad
- (c) Dr. Karan Nathwani, IIT Jammu
- (d) Dr. Kanwar Singh Nalwa, IIT Kanpur
- (e) Dr. Govind Singh Kumawat, IIM Udaipur

3.6 INTERNATIONAL EXPERT COLLOQUIUM SERIES

The Expert Lecture Series at the university provides a platform for students and faculty to engage with leading professionals and scholars from various fields. A total of ten lectures were organized. These lectures offer valuable insights into emerging trends, industry practices, and cutting-edge research, enriching the academic environment and broadening the knowledge base of participants.

The following is a list of lectures organized by the DRP under the International Expert Colloquium Series:

- **Self-driving cars: The Future of Travel or a Road to nowhere**

Speaker - Er. Kuldeep Singh, University of Loughborough, UK. May 30, 2024

- **Wavelet Spectrogram Analysis of Surface Waves for Soil Dynamics Characteristics**

Speaker - Prof. Sri Atmaja P. Rosyidi, Universitas Muhammadiyah Yogyakarta, Indonesia. May 29, 2024

- **An optimal portfolio analysis and machine learning**

Speaker - Prof. Indranil SenGupta, Florida International University, USA. April 30, 2024

- **Exploring the potential of nano nutraceuticals**

Speaker - Dr. Tanim Bhattacharya, Lincoln University College, Malaysia. April 29, 2024

- **Key capabilities of Leadership in digital business**

Speaker - Prof. Bhuvan Unhelkar, Muma College of Business, University of South Florida, USA. March 29, 2024

- **Sustainable Energy and Technological Advancements**

Speaker - Prof. Sandeep Poddar, Lincoln University College, Malaysia. March 28, 2024

- **Spectra of measures, tiling's and wandering vectors**

Speaker - Prof. Palle E Jorgensen, University of Iowa, USA. February 29, 2024

- **Condition monitoring of electrical assets in smart grids**

Speaker - Prof. Sivaneasan Bala Krishnan, Singapore Institute of Technology Singapore. February 14, 2024

- **A novel fusing image and text sentiment analysis approach**

Speaker - Prof. Bui Thanh Hung, Industrial University of Ho Chi Minh City, Vietnam. January 15, 2024

- **Detection of unknown DDoS Attacks**

Speaker - Prof. Chin Shih Shieh, National Kaohsiung University of Science and Technology, Taiwan. January 10, 2024

3.7 STUDENT INTERNATIONAL RESEARCH INTERNSHIP - December 1, 2023 - March 31, 2024 (Remote mode)

- 20 students in National Taipei University of Business Taiwan under Prof Sheng-Lung Peng
- 20 students in City University, Malaysia under Prof S B Goyal
- 17 students in Industrial University of Ho Chi Minh City, Vietnam under Prof Bui Thanh Hung
- 05 students in Singapore Institute of Technology, Singapore under Prof Sivaneasan Bala Krishnan
- 20 students in National Ksohsiung University of Science and Technology, Taiwan under Prof Chin-Shih Shieh
- 20 students in University of South Florida, USA under Prof Bhuvan Unhelkar

4.0 STUDENT AFFAIRS

4.1 INTRODUCTION

Co-curricular activities play a pivotal role in fostering holistic development and preparing students for real-world challenges by complementing academic learning. These activities, encompassing sports, arts, community service, and other extracurricular pursuits, provide valuable opportunities for students to develop essential life skills. Through participation in co-curricular activities,

students enhance attributes such as leadership, teamwork, time management, problem-solving, and communication.

At the University, all extracurricular activities are organized by twenty student-run clubs, each supervised by a faculty mentor. These clubs regularly host events and activities for their members.

STUDENT ACTIVITY CLUBS

There are **eleven** activity clubs dedicated to various sports and **nine** clubs for cultural, literary and technical activities. The following is a list of the clubs with their respective faculty coordinators -

SPORTS

1. Arena (Garners Club) - Yashoverdhan Vyas
2. Atom Club (Table Tennis) - D S Chauhan and Pankaj M Rastogi
3. Bracing Club (Kho Kho) - Archana Gajbhiye
4. Cluster Club (Volleyball) - Deepak Vyas
5. Energy Club (Football) - Aman Jain, Amrit Ghosh
6. Grand Masters Club (Carrom & Chess) - Shweta Lalwani, Arvind Singh and Manjeet S Bhullar
7. Motion Club (Cricket) - Yashoverdhan Vyas and Om Prakash Suwalka
8. Power (Club Kabaddi) - Manish Dadhich and Harish Tiwari
9. Snatchers Club (Basketball) - Anand Bhaskar, Deepak Pandey
10. Target Club (Badminton) - Lokesh Gupta
11. Track and Field Club (Athletics) - Amrit Ghosh

CULTURAL, LITERARY AND TECHNICAL CLUBS

1. Drone and Robotics Club - Anand Bhaskar and D S Chauhan
2. Elements (Writer's Club) - Shibani Banerjee
3. Entrepreneurship, Design and Development Cell - Amrit Ghosh and Shweta Lalwani
4. Flash (Photography Club) - Avinash Ojha
5. Hope (Environment Club) - Tulika Chakrabarti
6. Magnitude (Theatre Club) - Monika Anand
7. Programming Club - Chandani Joshi

8. Renewable Energy Club - Ritesh Tirole
9. Spotlight (Music and Dance Club) - Avinash Ojha and Disha Mathur

4.2 EVENTS

The student activity clubs create an enriching and vibrant campus environment. The various events organised by these clubs are as under -

GAMING TOURNAMENT - ARENA CLUB - August 26, 2023

A online gaming tournament was organised by the Arena Club. A total of 59 students registered for the event. 5 matches were played and the winner and runner up were based on the top 2 position holders of the online generated point table from the BGMI website. The winning team DEATH EATERS led by Kondra Sharath Reddy (21CS002388) and R. Yashwanth (21CS002410) were awarded a memento, medals, and a cash prize of Rs 1500. The runner-up team DARK SPIRITS led by Abhijit Tiwari (21CS002302) and Sonu (21CS002349) were awarded a memento, medals, and a cash prize of Rs 1000.

TABLE TENNIS TOURNAMENT - ATOM CLUB - April 20, 2024

The Atom Club regularly organizes singles, doubles matches at the campus. A Table Tennis tournament was organized. Eleven students participated in the tournament. The Gold Medal was awarded to Jivesh Tripathi (22MBA00220) and Raghav Joshi (21CS002339) bagged the Silver Medal.

VOLLEYBALL TOURNAMENT - CLUSTER CLUB - February 28, 2024

The club organised various inhouse events round the year. The CLIUSTER Volleyball Team participated in competitions organized by other universities and institutes. The team participated in the inter-university competition organised on April 10, 2024 and qualified to the semi-finals.

Volleyball Match

MOTION PREMIER LEAGUE - MOTION CLUB - February 27, 2024

Interuniversity Cricket Match

The Motion Club of the university organised various intra and inter-college matches during the session 2023-24 and in the final match held on Geetanjali Institute Technical Studies, Udaipur were the winners and the Pacific University were the Runner up.

INTERUNVIERSITY BASKETBALL TOURNAMENT - SNATCHERS CLUB - February 15, 2024

Warm up session before Basketball Tournament

The Basketball Girls team of the Snatchers Club showcased impressive talent and sportsmanship in basketball, securing the position of Runner-up in the Interuniversity Basketball Tournament organised by SPSU. The first position was bagged by

the College of Technology and Engineering, Udaipur.

KABADDI COMPETITION - POWER CLUB - September 27, 2023

A Kabaddi competition was organized by the Power Club. Various teams across the city participated enthusiastically in the competition. The Olympus Club, Udaipur was the Winner while the Team of the Veterinary College, Navaniya bagged the Runner-up position.

FOOTBALL TOURNAMENT- ENERGY CLUB - February 28, 2024

The Energy club organised a football tournament. The tournament was won by the GR Sports Udaipur and the Team CTAE, Udaipur was the Runners up.

5 KM WALKATHON - May 18, 2024

Promoting environmental conservation and sustainable practices a 5 km Walkathon: Steps for Sustainability was organised at Fateh Sagar Lake. The event showcased SPSU's solidarity and dedication towards nurturing holistic development and endorsing sustainable ethos within its community and beyond. The Walkathon was

inaugurated by Prof. (Dr.) Prithvi Yadav, the Honourable Vice Chancellor and President, SPSU. The guest of honour was Mr. Tanishq Patwa, International Kayaking player. With over 600 enthusiastic participants, including residents of the city and the members of the SPSU fraternity, the Walkathon not only advocated for sustainability but also embodied a spirit of collective action and responsibility towards our environment. The event was coordinated by Mr. Gurpreet Singh, Director Sports, Lt. Col. Neeraj Kumar, Campus Director, Dr. DS Chouhan, Deputy Dean Student Welfare and Mr. Praveen Jhala Sports Officer.

Walkathon at Fateh Sagar Lake

The Office of the **Deputy Dean, Student Welfare**, in collaboration with the Cultural, Literary, and Technical Student Activity Clubs, is dedicated to providing students with a dynamic platform to showcase their talents. By working closely with these clubs, the office has ensured that students have access to diverse opportunities for creative expression, intellectual engagement, and technical innovation. This partnership has not only nurtured student potential but also contributed to a vibrant and inclusive campus culture.

The following is the list of events:

ANANT 2024 - FAREWELL TO THE GRADUATING BATCH OF 2024 - April 23, 2024

In a splendid celebration of solidarity and achievement, Sir Padampat Singhania University bid adieu to the graduating batch of 2024 on April 23, 2024. The pre-final year students organized the farewell party for the graduating Engineering and Management batches. The President and Vice Chancellor Dr. Prithvi Yadav, Registrar, Deans and faculty members extended their heartfelt wishes for a prosperous future, filled with success and fulfilment, to the departing graduates as they embarked on their new journeys. Dressed in a traditional and dazzling attires the students transformed the ambiance into a spectacle of beauty and elegance. The students showcased their talents through scintillating dance performances and soul- stirring music. Amidst emotions ranging from elation to nostalgia, the graduating students bid farewell to their alma mater, carrying with them the spirit of resilience and creativity nurtured within its walls, determined to embark on new journeys and brighten the world with their brilliance. The event was coordinated by Dr. D.S. Chouhan, Dy Dean, Student Welfare and Dr. Archana Gajbhiye, Coordinator, Student Welfare

SUMMER SPARKLE - Office of Student Welfare - April 3, 2024

The Summer Sparkle event held at Girls Hostel - 2 was a delightful celebration of creativity and talent. The event featured two exciting Competitions, namely, Mehandi Competition, Trending Dance Competition and Musical Chair Race. Participants showcased their skills, and winners were rewarded with hampers and appreciation gifts. The event created a fun and engaging atmosphere for the hostel residents, featuring exciting activities including a Mehandi competition, trending dance performances, and a lively game of musical chairs.

ORIGAMI WORKSHOP - Shri Jayant Vasant Joshi - Office of Student Welfare - March 5, 2024

The Office of Student Welfare organised an Origami Workshop on March 5, 2024 which was a unique initiative aimed at blending art with engineering principles. Designed specifically for engineering students, the workshop was conducted by the renowned architect Shri Jayant Vasant Joshi who demonstrated the intersection of creativity and technical skills, showing how the ancient Japanese art of paper folding can inspire innovative problem-solving approaches in engineering. The workshop was divided into three main sessions: Introduction to Origami and its Engineering Applications, Hands-on Origami Folding Session, and Advanced Origami and Engineering Design Challenge. The Origami Workshop was a resounding success, providing engineering students with a new perspective on how art and engineering can intersect to create innovative solutions. The skills and concepts learned through the workshop have the potential to influence their approach to engineering problems in the future.

Origami Workshop by Shri Jayant Vasant Joshi

INTERNATIONAL WOMEN'S DAY - Office of Student Welfare and Internal Complaints Committee - March 15, 2024

The celebration of International Women's Day was a significant event that highlighted the importance of gender equality and celebrated the achievements of women. The event commenced with a welcome address by Dr. Monika Anand who emphasized the significance of International Women's Day and the need to continue advocating for women's rights and gender equality. Dr. Archana Gajbhiye delivered an inspiring speech on the theme of the year, focusing on the progress made in women's empowerment and the challenges that still lie ahead. Several students presented speeches on topics such as Women in Leadership, Gender Equality, and The Role of Education in Women.

Empowerment. The celebration also included a cultural programme showcasing the talents of the students. The students staged a skit highlighting the struggles and triumphs women in society and gave musical and dance performances celebrating womanhood and empowerment.

International Women's Day Celebration

PANACHE 2024 - THE ANNUAL SPORTS CULTURAL TECHNO MANAGEMENT FEST - February 28 - March 1, 2024

Panache 2024 showcased a diverse array of activities, catering to varied interests and passions. From intellectually stimulating technical competitions to culturally rich performances that celebrated diversity, from sports events fostering teamwork and athletics to management challenges refining leadership and organizational skills, the

Cultural performances by students and Sufi Band

festival offered an enriching experience for all attendees. Students from diverse institutions citywide as Mohanlal Sukhadia University, College of Technology and Engineering, Geetanjali Institute of Technology, Pacific

University and many others participated in the event and contributed to its vibrant atmosphere. Workshops on Block Printing, Molela Terracotta, Origami Art, and many more activities conducted during the fest not only nurtured creativity but also brought

forth the best in participating students. Under the guidance of skilled instructors, participants delved into the rich traditions of these crafts, cultivating a deeper appreciation for cultural heritage. The Shark Tank Competition provided a platform for entrepreneurial minds to shine, unveiling unique and globally relevant solutions. The evenings witnessed a splendid show of vivacious dances, foot-tapping music and the Sufi Band performance. Adorned in ethnic attire, the students immersed themselves in the melodic notes, resonant cheers, and enthralling displays, infusing the festivity with an atmosphere of excitement, joy, and positivity. The event was coordinated by Dr. Deepak Vyas, Dr. Monika Anand, Dr. Shibani Banerjee and Dr. Archana Gajbhiye.

NAVANKUR: POETRY COMPETITION - Magnitude Club - February 22, 2024

Magnitude Club organized Navankur: Poetry competition on February 22, 2024 drawing a significant turnout. Judged by Dr. Deepak Pandey, Dr. Arvind Sharma, and Mr. Manjeet Singh,

the event featured around 20 participants presenting their original compositions and works by renowned poets. Mahipal Singh Rao clinched the top spot, with Anmol Srivastava and Suhani Bafna as runners-up. Pradhuman Dadhich, Ashmit Gupta, and Achyut Pancholi secured second runner-up positions. Noteworthy recitations included Mr. Aman Jain's self-

Darshana Soni reciting a self-composed poetry

composed piece, Dr. Arvind Sharma's excerpt from Ramdhaari Singh Dinkar's Rashmirathi, and Dr. Monika Anand's rendition of Dwarka Prasad Maheshwari's famous poem Mann ke jeetey jeet. Dr. Deepak Pandey and Mr. Manjeet Singh motivated the students and shared some tips on poetry recitation and increasing stage presence.

GREEN RAKHI - Hope Club - February 21, 2024

Hope: The Environment Club organized the Green Rakhi event on February 21, 2024. Students and senior faculty members joined hands to tie traditional protective threads, Rakhis, to plants and trees.

They pledged to safeguard and preserve nature, recognizing the pressing need to address climate change for a healthier future. The event witnessed the presence of forty individuals, including the faculty advisor, club members, and esteemed faculty members.

Preserving Environment- Green Rakhi Celebration

INTERNATIONAL MOTHER LANGUAGE DAY CELEBRATION - Extempore Competition - Hope Club - February 21, 2024

Participants with Judges and Faculty in the International Mother Language Day Celebration

International Mother Language Day was commemorated with an Extempore Competition. The day honoured the sacrifices made during the language movement and highlighted the struggle for linguistic and cultural rights. The event, anchored by Dr. Tulika Chakrabarti, the faculty advisor of HOPE Club, saw

active participation from Prof. Deepak Vyas, Prof. Monika Anand, Dr. Anand Bhaskar, Dr. Anurag Shukla, Mr. Aman Jain and students who contributed through songs, poem recitals and speeches in their respective mother languages.

Fifteen students participated in the Extempore Competition which was judged by Prof. Deepak Vyas, Dr. Anand Bhaskar and Dr. Anurag Shukla. Khushi Modi (B.Tech II year), G. Jahanvi (B.Tech I year) and Priyanshi Patwa (BBA, I year) stood at first, second and third position respectively.

ABHIVYAKTI- THE POSTER DESIGNING AND INTERPRETATION COMPETITION - Elements Club - February 15, 2024

Elements - The Writer's Club organised Abhivyakti - The Poster Designing and Interpretation competition. The Theme of the event was 'India of my Dreams'. The event provided an opportunity to creative minds to express their ideas, articulate their visions and convey

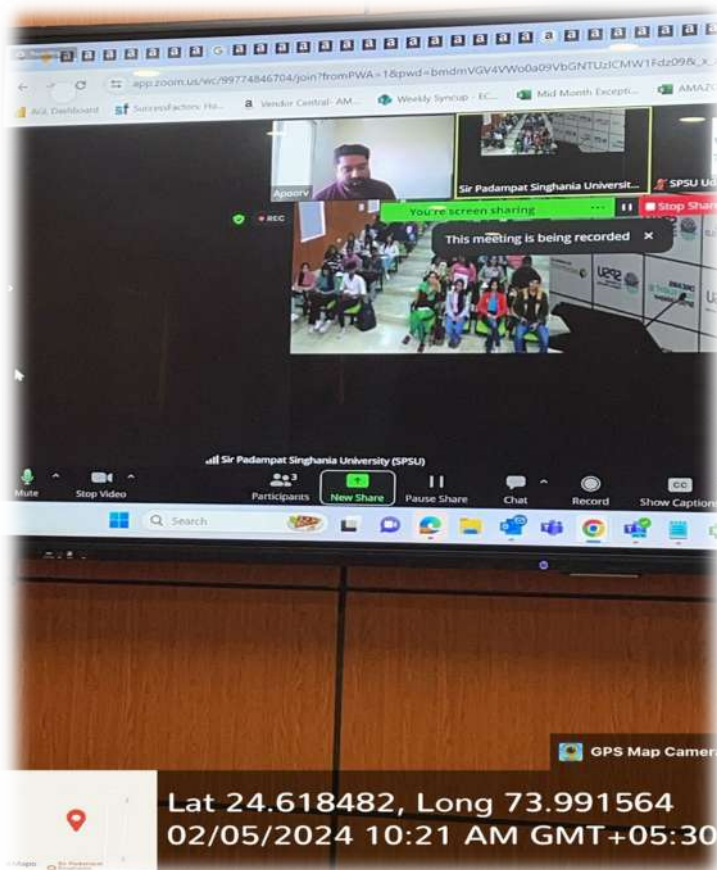

Students displaying their creativity in the Poster Designing and Interpretation Competition

impactful messages with precision and effectiveness. The participants' diverse imaginations and vivid interpretations captured the essence of a progressive and inclusive India. Their active engagement highlighted the boundless potential of creativity within the student body, embodying the spirit of university life with its blend of creativity,

enjoyment and camaraderie. Dr. Shibani Banerjee, the Faculty Advisor, guided and urged the students to leverage such platforms to excel in their future endeavours. Dr. Tulika Chakrabarti meticulously judged the event. Dr. Sarika Singh too appreciated and motivated the students. The team consisting of Khushi Modi and Sakshi Kachchawah, Suhani Bafna and C Uday Charan, Jyoti Pandey and Wasfa Haider, Raj Aryan Soni and Harshita Maratha were adjudged at first and second and third position respectively. The student coordinators Suhani Bafna, B.Tech, II year and Manan Jain, MBA, I year efficiently coordinated the entire event.

ALUMNI GUEST LECTURE - Interview Skills - Mr. Apoorv Upadhyay - Office of Student Welfare - February 5, 2024

Apoorv Upadhyay delivering the online lecture

An enriching guest lecture organized via Zoom, focused on Interview Skills for Semester VI students was organized on February 5, 2024 at 9:30 am in LT-02. The speaker for this insightful session was Mr. Apoorv Upadhyay, an esteemed alumnus from the class of 2007 B.Tech ECE, currently serving as Associate Director, Tata Consumer Products Limited - Ecommerce Vertical, Bangalore. The engaging and interactive session by Mr. Upadhyay provided our students with valuable guidance on interview preparation, effective resume building, and leveraging LinkedIn for exploring new opportunities. This initiative not just was a step towards bridging

the gap between academia and industry but also to offer invaluable insights and guidance from an industry perspective to our students as they prepare to embark on their professional journeys. This session also helped us engage with our alumni, encouraging them to reconnect with their alma mater, SPSU.

DENTAL CHECK-UP CAMP - in association with Bansal Dental Clinic - Office of Student Welfare - February 1, 2024

Dr. Surbhi Gandhi examining the staff during the dental check-up camp

A total of 340 students, faculty members and staff, class IV employees, residents and security personnel were checked by the dentists and advised upon in the Dental Check-up Camp organized by the university on February 1, 2024. It was heartening to see a few also seek consultation. About 20-35 students consulted the dentists only for their queries and sought their advice for better oral care and hygiene.

75th REPUBLIC DAY CELEBRATION - January 26, 2024

*Unfurling of the National Flag by
Students, Deans, Proctor and Registrar*

Sir Padampat Singhania University, Udaipur celebrated the 75th Republic Day with great zeal and enthusiasm. The Vice-Chancellor and President of the University Prof. (Dr.) M.K Vajpayee paid tribute to the revered leaders of our Nation and highlighted the institution's dedicated efforts in fostering the development of students and actively contributing to the process of Nation-building. The AvaGuardians, SPSU student team- Toshik Soni, Dhruv Lodha, Kusum Menaria, Mitali Thapa, Mohammed Tauqeer Raza and Wasfa Haider Kazmi from B.Tech CSE II year who stood first and won the prize money of One lac Rupees in the Smart India Hackathon (SIH) Grand Finale hosted by the Ministry of Education, Government of India received a special appreciation on this day. The team was mentored by Mr. Harsh Bansal, Faculty, CSE.

The NCC cadets of the University led by Lt. Dr. DS Chouhan Associate NCC officer venerated the occasion by marching through the campus while saluting the national flag and instilling patriotic fervour. The NSS Cell of the University led by Mr. Harish Tiwari

conducted the 'Fit India Run'. The poster exhibition organized by the Department of Chemistry aimed at increasing awareness on cleanliness and emphasized the significance of environmental conservation. The emotive patriotic song and dance performances organized by the Spotlight Club of the University added to the nationalistic ambience and nurtured a sense of unity among the audience, creating a memorable and impactful event. The Proctor, Dr. Deepak Vyas coordinated the event. Prof. Prasun Chakrabarti, Director Research and Dean International Affairs, Prof. Sadananda Prusty, Dean, School of Management, Prof. Arun Kumar, Dean, School of Engineering, Prof. Naveen Kumar, Registrar, Prof. Monika Anand, Deputy Dean Student Welfare, Heads, faculty members, administrative staff, students and entire SPSU fraternity participated actively in the celebration.

OPEN MIC SESSION - NATIONAL GIRL CHILD DAY - Office of Student Welfare - January 24, 2024

Sir Padampat Singhania University, Udaipur celebrated National Girl Child Day on January 24, 2024 to promote awareness about the rights of the girl child, to bridge the gender divide and emphasized on the importance of education, health and nutrition of girl child. Lavanya Agarwal, Suhani Bafna, Ashwini Kumar Sharma, Dikhush Giri Goswami and many others participated in the open mic session and expressed their views on National Girl Child Day. Dr. Monika Anand, Dr. Shibani Banerjee and Mr. D. K. Gupta motivated the students with their words of wisdom on this day. They also highlighted the distinct challenges encountered by girls like gender inequality, school dropouts, healthcare challenges, child marriage, gender-based violence and stressed on the need for collective efforts to overcome these challenges. The University aspires to empower every girl, encouraging them to overcome obstacles, pursue education, and actively contribute to the creation of a brighter future.

MAKAR SANKRANTI - January 14, 2024

The harvest festival Makar Sankranti was celebrated with great zeal and enthusiasm at SPSU. The day marks the transition of the Sun into the zodiac sign of Makara Rashi (Capricorn) on its celestial path. A highlight of the celebration was the Kite Flying event, where a kaleidoscope of colorful kites adorned the clear blue sky. Participants showcased their creativity with kites of various shapes and hues, making the sky come alive with a burst of colors. The students engaged in the age-old tradition of flying kites, adding an extra layer of excitement by running and ducking to maintain their kites' airborne status. The spirit of sportsmanship was evident in the various games organized during the celebration. Participants exhibited commendable enthusiasm and skill, contributing to the lively and competitive atmosphere.

Beyond the games, the entire university community, including students, faculty, and residents, joined in the festivities with great fanfare. Makar Sankranti at SPSU became more than a festival; it was a collective expression of joy and togetherness, uniting

everyone in the celebration of nature's cycle and the spirit of camaraderie. The event was coordinated by Prof. Deepak Vyas and team.

LOHRI FESTIVITIES - January 13, 2024

The festival Lohri was celebrated with much fanfare. The university applauded the collective spirit of unity and joy, encouraging everyone to uphold the values and traditions embedded in our rich cultural heritage. The event was filled with vibrant music, enchanting songs, and captivating dance performances that added to the festive atmosphere. Students, faculty, and residents of the university participated actively in the event, creating a lively and celebratory ambience that resonated with the university's commitment to inclusivity and cultural appreciation.

SPEECH - NATIONAL YOUTH DAY - Office of Student Welfare and NCC - January 12, 2024

SPSU celebrated **National Youth Day** on the theme - It's All In The Mind in association with NCC. Dr. Monika Anand, Dr. DS Chouhan, Dr. Bright Akwasi Gyamfi, Mr. D.K. Gupta urged the students to follow the ideals of Swami Vivekananda and emphasised on leading a disciplined life. Students also shared their views on how youth can bring change and lead the country.

CONSTITUTION DAY - Office of Student Welfare - November 26. 2023

The students of SPSU under the able guidance of Mr. D. K. Gupta, Assistant Professor, engaged in diverse activities to celebrate Constitution Day. 15 students shared insights and engaged in a thought-provoking group discussion on the Indian Constitution. Dr. Monika Anand, Dy Dean, Student Welfare, commended their efforts and initiative. She highlighted that Sir Padampat Singhania was one of the signatories of the Constitution of India. She urged the youth to embrace our nation's collective heritage, traditions, values, achievements, and historical contributions that have shaped our country's identity over time. She emphasised that understanding and preserving a nation's legacy is crucial for fostering a sense of identity, pride, and continuity among its citizens.

ORION'S 2023: THE FRESHERS' PARTY - October 19, 2023

*Col.(Dr.) Sanjay Sinha, HoE, felicitating Mr. and Ms.
Fresher 2023*

Numerous new faces each with a million dreams' is what describes Orion's 2023, as both newcomers and senior students, gathered for the Fresher's Party on October 19, 2023. The event was brought to life through the leadership and guidance of distinguished individuals including Col. Sanjay Sinha, Head of Education, JK Cement Ltd, Prof. (Dr.) M.K. Vajpayee, President, and Col. (Dr.) Sanjiv Tomar, Pro President. The event was full of fun-filled activities, a pulsating ambience, flashing lights and foot-tapping

music that showcased the abundance of talent of the students. The extravaganza reached its pinnacle with the rocking band performance that added to the fiesta. The most awaited event of the day was Mr. and Ms. Fresher. The final round of the competition was judged by Col. Sanjay Sinha, Dr. Prasun Chakrabarti, Dr. Arun Kumar and Dr. Shweta Lalwani. FOURTH YP SINGHANIA MEMORIAL LECTURE - September 23, 2023

Fostering innovating thinking and promoting technological advancements, Sir Padampat Singhania University, under the visionary leadership of Honourable President Prof. (Dr.) Padmakali Banerjee organized the fourth YP Singhania Memorial lecture - in the fond memory of the founder Chancellor Late Shri Yadupati Singhania on September 23, 2023.

Energy Swaraj Bus Founder Prof. Chetan Singh Solanki with SPSU family

The eminent speaker of the day was

Prof. Chetan Singh Solanki, Professor, Department of Energy Science and Engineering, IIT Bombay, founder of Energy Swaraj Foundation, Brand Ambassador of Solar Energy of Govt. of MP, India. He spoke about climate change, corrective actions and the vitality of embracing solar energy in the future, as it is the only unending source of energy available for humans on earth. He also pointed out the adverse effects of increased consumption of fossil fuels and created awareness regarding the growing issues of climate change. He said, "Nobody has to be told to keep away from the cobra as it is poisonous. Similarly, instead of preaching on climate change, if we create awareness among people on the issue and tell them about mindful use of available renewable sources of energy; the road to climate correction can begin more effectively." Prof. Solanki further spoke about the 2 Laws, Limit your consumption and Localize your Production. The founder of Energy Swaraj Foundation has embarked on a bus 'yatra' to create awareness about solar energy and its mindful consumption across the country. The bus on which Solanki travels has a bedroom, office space, plants, kitchen with induction cooker and a refrigerator - all powered by solar panels installed on the roof of the vehicle.

GANESH CHATURTHI - 19 - 22 September 2023

President Prof.(Dr.)Padmakali Banerjee worshipping Lord Ganesha

This initiative encouraged participants to embrace sustainability while prioritizing physical fitness, highlighting the university's commitment to fostering wellness and ecological consciousness.

ORIENTATION SESSION - August 1, 2023

The NSS Cell organized an orientation session for the newly enrolled students for the session 2023-24 in Sangyaan 2023: The Orientation Programme. The aim of the session was to spread awareness of the NSS Cell, its concept, history, philosophy of NSS and about the plan, implementation and evaluation of the activities of the NSS Cell.

POSTER MAKING COMPETITION - August 1, 2023

A vibrant poster-making competition was organized by the NSS Cell for the children of staff members. The young artists brought the themes of patriotism and "Save the Girl Child" to life through their colourful and lively drawings, enhancing the spirit of national pride and social awareness.

TREE PLANTATION DRIVE - August 1, 2023

A tree plantation drive was organized where students and staff members planted over 30 trees, symbolizing a commitment to environmental sustainability.

WORLD TOBACCO DAY - May 31, 2024

The NSS Cell of the university of organized an Oath Taking Ceremony to mark World No Tobacco Day. The event focused on the critical theme of "Say No to Tobacco," drawing participation from approximately 100 NSS volunteers and 50 staff members. The programme began with a welcome address followed by the oath-taking ceremony, during which students and staff pledged to abstain from all forms of tobacco, including cigarettes, bidis, and gutka, while also committing to encourage others to do the same. NSS Programme Coordinator Mr. Harish Tiwari, Dr. Manish Dadhich, and Dr. Amrit Ghosh coordinated the event.

WORLD ENVIRONMENT DAY CELEBRATION - June 5, 2023

NSS Cell along with Hope -The Environment Club organized a Poster Making Contest on the World Environment Day. Students actively participated in the competition that focused on Clean India, Global Warming and Tree Plantation. Out of 22 registered students, 12 posters were submitted.

5.0 CORPORATE INTERFACE

5.1 INTRODUCTION

The Training and Placement Cell plays a pivotal role in preparing students for successful careers by facilitating industry interactions, skill development, and placement opportunities. Through targeted training programmes, workshops, and mock interviews, the cell equips students with essential skills in line with industry demands. Additionally, it fosters strong connections with leading companies, ensuring ample placement opportunities for students across various disciplines. The cell helps students transition seamlessly into the workforce.

5.2 SUMMER TRAINING AND INTERNSHIPS

SPSU has active collaborations with Microsoft, FL Smidth, AWS Academy, Xebia, Gainwell, SAS, GHH, TCSiON, Beumer Group, Intel and JK Cement.

The input given by above collaborators make our graduates to be more industry ready and equip them with the latest requirement of dynamic changes in the corporate world. Summer Trainings and Internships includes 30% from technology, 5% from Mining and Metals, 7.5% from Transportation and Infrastructure, 20% from Manufacturing and Construction, 7.5% from Financial Services, 7.5% from Retail and E-commerce, 10% from Consulting and 15% from diversified and other sectors.

Technology	Transportation and Infrastructure	Manufacturing and Construction	Financial Services	Retail and E-commerce	Consulting and Professional Services
Cognus Technologies	Indian Railway	JK Cement Ltd.	Adarsh Co-Operative Bank Ltd.	Basket Hunt	CA Jain Anshu & Co.
Digital Hammerr	Airport Authority of India	JK Lakshmi Cement Ltd.	FundVizer Financial Solutions	Mozo Hunt Pvt. Ltd.	AIM India Group
DSS Imagetech Pvt. Ltd	The Airport Authority, Dabok, Udaipur	Neelkamal Ltd.	Sharekhan Limited	VibesGood	Shree Radhe Traders
Lakebrain Technologies		Pushpa Artefacts			Sanjive Radhey & Co.
Deltron Technologies Pvt. Ltd.		Roar Fire Safety Equipment's Pvt Ltd.			
Avalon Tribe Infotech		EF Polymer Private Limited			
Perpetualblock Technologies Pvt. Ltd.					
Skill Labs Resource Skillish Pvt. Ltd.					
Web Anix Pvt. Ltd.					

SEMINARS & SKILL ENHANCEMENT ACTIVITIES

S. No.	Name of the Training Activity	Conducted By	Attended By
1	Communication Skill Training	Dr. Reena Nigam	SOE & SOM
2	Aptitude Training	Mr. Nachiket Joshi	SOE & SOM

5.3 PLACEMENTS

COMPANIES PARTICIPATED IN THE PLACEMENT OF 2023-24 BATCH

Among the companies participating in the placement 23% were from IT sector, 15% from Manufacturing and Chemicals, 13% from finance and banking and rest sector includes e-commerce, automotive, retail and consumer good remaining sectors includes Education & Training, Advertising and Media and Others

IT & Software	E- commerce & Online Services	Finance & Banking	Automotive	Retail & Consumer Goods	Education & Training, Advertising & Media, Hospitality & Leisure	Others
TCS	IndiaMart	Mahindra & Mahindra Financial Services Ltd.	BSES (India) Pvt. Ltd.	Yutika Naturals	KCS Edutech Private Limited	Fusion
KPIT	Just Dial	AU Small Finance Bank Ltd.	Rajendra Toyota - M/s Goenka Auto Sales Pvt. Ltd.	Decathlon Sports India	Sigma Staffing Solutions Pvt. Ltd.	The Deep's System Pvt. Ltd.
Nucleus Software	Info Edge India Ltd. (Naukri.com)	Emkay Global Financial Services Ltd.	URBANE Vehicles India Pvt. Ltd.	Saffron Furnishing Pvt. Ltd.	Sagar Advertisers Pvt. Ltd.	Deep's System
Nupeak IT Solutions	Paytm Service	Fundvizer Financial Solutions	Bridgestone Accessories House	Bada Promotion Pvt. Ltd.	Linkruit HR Solutions	Kalva Engineers Pvt. Ltd.
HCL Technologies		Jain Anshu & Co.	Arihant Car Decor		Bamboo Saa Resort & Spa, Udaipur	Munish Exports
Tudip Technologies		Ambit Tax & Accounting Services LLP				
Cyfuture, Noida

1

6.0 DEPARTMENTAL ACTIVITIES

6.1 DEPARTMENT OF BIOTECHNOLOGY

Established in 2007, the Department of Biotechnology is preparing trained biotechnologists with multidimensional skills through an interdisciplinary learning approach. The department offers B. Tech in Biotechnology and offers multidisciplinary courses at the University level. Students are exposed to various technical skills which make them ready to perform in the relevant industry. The department has a vision to progress through quality teaching and research for generating the biotechnologists with the calibre of bringing sustainable change in the area of biotechnology and beyond and to the society.

THRUST AREAS OF RESEARCH

- Microbial Biotechnology
- Plant Biotechnology

PAPERS PRESENTED IN CONFERENCE/ SEMINAR/ SYMPOSIUM (IF NOT PUBLISHED AS FULL PAPER IN THE PROCEEDINGS)

- Gajbhiye A and Anand M. 2024. Technological advancements in biofuel production: the first generation to fourth generation biofuels. IRC, March 19, 2024, SPSU, Udaipur. The Essence: Journal of Management Science and Research, Vol. 1 (1): pp. 110.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Archana Gajbhiye attended an all-India seminar on “Women in Engineering”, organized by Institution of Engineers (India) Udaipur Local Chapter, Udaipur. July 15-16, 2023.
- Dr. Archana Gajbhiye successfully completed the online 12 module training on “Energy Literacy Training” by Energy Swaraj Foundation. October 2023.
- Dr. Archana Gajbhiye participated in a five-day FDP on “Mastering the Art of Effective International Grants and Research Project Proposals”, organized by Sir Padampat Singhanian University, Udaipur. March 14-18, 2024.
- Dr. Archana Gajbhiye participated in the “International Research Convention 2024 (IRC24)”, organized by Sir Padampat Singhanian University, Udaipur. March 19, 2024.

SUMMER INTERNSHIPS/TRAININGS

The following students of B. Tech VII Semester completed summer training/Internships -

Sr. No.	Name of the Student	Enrolment No.	Name of the Company	Duration	
				From	To
1	Bhoomika Reddy	20BT002261	DSS Takara Bio India Pvt. Ltd., New Delhi	July 3, 2023	August 18, 2023

OTHER ACTIVITIES

- Dr. Archana Gajbhiye Organized the quiz competition on “Rajasthan Mission 2030,” at Sir Padampat Singhanian University, Udaipur, by the directives of the Ministry of Higher Education, Govt. of Rajasthan, September 2, 2023.
- Dr. Archana Gajbhiye Organized an essay competition on “Rajasthan Mission 2030,” Sir Padampat Singhanian University, Udaipur, under the directives of the Ministry of Higher Education, Govt. of Rajasthan, September 6, 2023.
- Dr. Archana Gajbhiye organized the speech competition on “Rajasthan Mission 2030,” Sir Padampat Singhanian, University, under the directives of the Ministry of Higher Education, Govt. of Rajasthan, September 7, 2023.

FUTURE PLANS

The Department plans to build up the industrial collaborations, alumni connections, research collaborations etc. to further enrich the UG and strengthen the department.

6.2 DEPARTMENT OF CHEMISTRY

INTRODUCTION

The Chemistry Department equips students for leadership roles in environmental engineering and environmental science. The curriculum addresses a wide range of environmental challenges through electives and independent projects. Key focus areas include water and wastewater treatment, solid and industrial waste management, air and noise pollution, water supply, sewage disposal, disaster mitigation, and climate change. The department's state-of-the-art laboratories offer hands-on experience, allowing students to conduct impactful experiments related to human health and environmental studies. Projects such as testing water samples for hardness, pH, solids, alkalinity, and chlorine levels help raise awareness about drinking water quality in nearby communities.

THRUST AREAS OF RESEARCH

- Soil and Water pollution problems
- Medicinal Plants and Drug Discovery
- Environmental Chemistry

PUBLICATIONS IN REFEREED JOURNALS

- Hazarika R, Maji A K, Kandar D, Chakrabarti P and Chakrabarti T. Rao K S. and Nami M. 2023. Kanthavel R, Margala M, Siva SS, Chakrabarti P, Dhaya R and Chakrabarti T. 2023. Osteoarthritis Detection Using Deep Learning Based Semantic GWO Threshold Segmentation, In: Lecture Notes in Networks and Systems (Eds.: Joby P, Alencar MS and Gilski PF). Springer Nature. 789. Pp. 603-620.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Tulika Chakrabarti attended the International Conference on Navigating the future: AI Block Chain, Sustainable Development in the G-20 World. Sir Padampat Singhania University, Udaipur. April 19-20, 2024.
- Dr. Deepak Vyas and Dr. Tulika Chakrabarti participated in a five-day International Faculty Development Programme on International Grant and Research Project Proposals. Sir Padampat Singhania University, Udaipur. March 14–18, 2024.

INTELLECTUAL PROPERTY

- **Design Number: 6320641** UK Design Granted
Grant date: October 27, 2023
Registration date: October 20, 2023
Title of invention: Milk quality analyzing device
- **Design Number: 6338622**
Grant date: January 22, 2024
Registration date: January 11, 2024
Title of invention: Nano High Performance Liquid Chromatography Apparatus
- **Design Number: L-136223/2023**
Grant date: November 15, 2023
Registration date: January 11, 2024
Title of invention: PLC based solid waste management system

ONLINE CERTIFICATION BY THE FACULTY

Dr. Tulika Chakrabarti successfully completed the following online Certificate programme NEP Orientation & Sensitization Programme, UGC-MMTTC and GAD-MMTTC, University of Delhi. June 18-28, 2024.

FUTURE PLANS

The Department of Chemistry plans to initiate undergraduate and postgraduate in the field of Environmental science and sustainability.

6.3 DEPARTMENT OF CIVIL ENGINEERING

INTRODUCTION

The Department of Civil Engineering at Sir Padampat Singhania University, Udaipur is producing high quality technical manpower needed by industry, R&D organizations, and academic institutions. The academic activity of the Department emphasizes deep understanding of fundamental principles, development of creative ability to handle the challenges of Civil Engineering.

THRUST AREAS OF RESEARCH

- Sustainable Construction Materials & Techniques
- Cement and Concrete Technology
- Pavement Material Characterization
- Water and Wastewater Engineering

PUBLICATIONS IN REFEREED JOURNALS

- Gupta L, Kumar R, Chakrabarti T, Chakrabarti P and Margala M. 2024. Data analytics and modeling in context to determine moisture susceptibility of reclaimed asphalt foamed bituminous mix. Scientific Reports. **14** (1).
- Fatima E, Gupta L and Kumar R. 2024. Exploratory Study for the Development of Road Safety Index on Indian Roads. Periodica Polytechnica Transportation Engineering. **52** (1): 96-103.
- Agrawal V, Jain A, Shandilya T and Gupta R. 2024. Performance assessment and statistical analysis of concrete mixes incorporating glass waste powder. Proceedings on Engineering Sciences. **06** (2): 683-688.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Lokesh Gupta participated in one day webinar on Stability Analysis of Caisson Foundations: Theoretical and Numerical Analysis, National Institute of Technical Teachers Training and Research, Chennai, August 09, 2023.

INTELLECTUAL PROPERTY

- **Design number: 402025-001**
Grant Date: April 5, 2024
Registration date: December 12, 2023
Title - Wheel Mounted Fly Ash Ball Mill Machine

ONLINE CERTIFICATIONS BY THE FACULTY

- Mr. Aman Jain participated in a Short-Term Course on Quality Control of Concrete, NITTTTR, Chandigarh, October 9-13, 2023.
- Dr. Avinash Ojha participated in one week FDP on Quality Control of Concrete, NITTTTR, Chandigarh, October 9-13, 2023.
- Dr. Avinash Ojha participated in one week FDP on Approaching Zero Waste Cities, NITTTTR, Chandigarh, September 18 - 22, 2023.

RESEARCH COLLABORATION

Research collaboration with the Asian Institute of Technology, Bangkok on “Crisis Communication and Community Resilience: A Study on Public Awareness and Preparedness for Disasters in India,” October 11, 2023.

SUMMER INTERNSHIPS/TRAININGS

The following students of B. Tech VII Semester completed the summer internship/training

Sr. No.	Name of the Student	Enrolment No.	Name of the Company	Duration	
				From	To
1	Rudraksh Taunk	20CE002264	Shree Enterprises, Udaipur	June 10, 2023	July 28, 2023

OTHER ACTIVITIES

- Dr. Avinash Ojha delivered an expert lecture on Concrete Manufacturing Process, Sangyaan 2023: The Orientation Programme, SPSU. July 25, 2023.
- Dr. Avinash Ojha served as team Member for Summer Spectrum - National Art and Design Symposium, organized at Sir Padampat Singhania University, May 10-12, 2023.
- Dr. Avinash Ojha served as Coordinator of Workshop Session on Understanding of Self and Achieving Goals in Life, School of Engineering, SPSU. April 18, 2023.
- Dr. Lokesh Kumar served as convenor for the international seminar on Global Perspectives in Civil Engineering: Advancements & Innovations, Sir Padampat Singhania University. February 21, 2024.
- Dr. Lokesh Kumar served as convenor for one day workshop and bridge making contest SETU 2024, Sir Padampat Singhania University. March 7, 2024.

- Dr. Lokesh Kumar served as convenor for one day International Research Convention (IRC 2024), Sir Padampat Singhania University. March 19, 2024.
- Dr. Lokesh Kumar served as an organizing committee member for the International Conference on Navigating the Future: AI, Blockchain, Sustainable Development In The G-20 World, Sir Padampat Singhania University, Udaipur, April 19-20, 2024.
- Dr. Lokesh Kumar delivered an expert lecture on Contemporary and Conventional Construction Mixes in the Indian Road Transportation Sector, Aditya College of Technology & Science, Satna. November 7, 2023.

FUTURE PLANS

The Department plans to further strengthen the research and consultancy activities through funded research projects from various government and non-government agencies and industry collaborations and MOUs.

6.4 DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

INTRODUCTION

The department of Computer Science and Engineering is committed to delivering a cutting-edge curriculum that is both academically rigorous and aligned with evolving industry trends. To enhance the learning experience, the department has established strategic partnerships with leading organizations. These collaborations provide our students with invaluable opportunities for hands-on learning through internships, workshops, and joint projects. By integrating expertise in areas such as digital transformation, agile development, and data analytics, the department ensures that the curriculum equips students with the skills needed to thrive in the dynamic global IT landscape.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Ms. Poonam Saini attended a one-day workshop on “AI Tools,” Be10X. May 5, 2024.
- Dipesh Vaya (Core Committee Member) attended International Conference on Navigating the Future: AI, Blockchain, Sustainable Development in the G-20 World, Sir Padampat Singhania University, Udaipur. April 19-20, 2024.
- Ms. Poonam Saini attended a one-week FDP on “Innovations and Applications of Computational Science in Indian Higher Education System,” AIU, CUHP, AIU-CUHP-AADC and IQAC Chitkara University, HP. April 16-24, 2024.
- Dr. Kamal Hiran attended the International Research Convention, Sir Padampat Singhania University, Udaipur. March 19, 2024.
- Dr. Kamal Hiran attended a five-day International Faculty Development Programme on “Mastering the Art of Effective International Grants and Research Project Proposals,” Sir Padampat Singhania University, Udaipur. March 14-18, 2024.
- Mr. Harsh Bansal attended a five-day Bootcamp on Innovation, Design, and Entrepreneurship, SKIT Jaipur organized by the Ministry of Education's Innovation Cell and the All-India Council for Technical Education. January 29-February 2, 2024.
- Mr. Harsh Bansal attended a five-day faculty development programme on “Building Advanced Data Analytics Applications with Cloud,” AICTE and Edunet Foundation. September 25-29, 2023.

INTELLECTUAL PROPERTY

- **Design Number: 202411039774** Indian Patent Publication
Grant date: June 21, 2024
Registration date: May 21, 2024
Title of invention: AI-Powered Innovation: Tracking Software Development Progress in Scaled Agile Framework with Precision and Efficiency
- **Design Number: 411981-001** Indian Design Patents Granted
Grant date: May 17, 2024
Registration date: March 29, 2024
Title of invention: Route follower based shopping robot
- **Design Number: 410588-001** Indian Design Patents Granted
Grant date: May 16, 2024
Registration date: March 15, 2024

Title of invention: Advanced robotic hand for industrial application

- **Design Number: 6363135** UK Design Granted
Grant date: May 9, 2024
Registration date: April 30, 2024
Title of invention: Artificial Intelligence based lung cancer detecting device
- **Design Number: 409873-001** Indian Design Patents Granted
Grant date: May 2, 2024
Registration date: March 8, 2024
Title of invention: Optical filter for microscope condenser lens
- **Design Number: 408925-001** Indian Design Patents Granted
Grant date: May 2, 2024
Registration date: February 27, 2024
Title of invention: Apparatus to separate proteins as per molecule
- **Design Number: 407234-001** Indian Design Patents Granted
Grant date: April 25, 2024
Registration date: February 11, 2024
Title of invention: AI based device to identify functioning of blood circulation
- **Design Number: 407665-001** Indian Design Patents Granted
Grant date: April 25, 2024
Registration date: February 2, 2024
Title of invention: IoT based wireless charging station
- **Design Number: 406169-001** Indian Design Patents Granted
Grant date: April 18, 2024
Registration date: January 31, 2024
Title of invention: IoT based device to manage home appliance through hand gestures
- **Design Number: 6357450** UK Design Granted
Grant date: April 15, 2024
Registration date: April 6, 2024
Title of invention: Remote Controller for live streaming devices
- **Design Number: 6356365** UK Design Granted
Grant date: April 10, 2024
Registration date: April 01, 2024
Title of invention: Machine learning based humanoid device for object identification
- **Design Number: 6355762** UK Design Granted
Grant date: April 9, 2024
Registration date: March 28, 2024
Title of invention: Sensor based jacket for early detection of cervical cancer
- **Design Number: 405163-001** Indian Design Patents Granted
Grant date: March 15, 2024
Registration date: January 19, 2024
Title of invention: Attendance Management System

- **Design Number: 405973-001** Indian Design Patents Granted
Grant date: March 15, 2024
Registration date: January 29, 2024
Title of invention: IOT based cutting machine for agricultural purpose
- **Design Number: 403541-001** Indian Design Patents Granted
Grant date: March 1, 2024
Registration date: December 12, 2023
Title of invention: IOT enabled respiratory sensing device
- **Design Number: 408845-001**
Grant date: February 2024
Title of invention: Machine Learning Based Wearable Device to Reduce Workplace Accident
- **Design Number: 6347195** UK Design Granted
Grant date: February 27, 2024
Registration date: February 16, 2024
Title of invention: Wireless Laptop Charger with Cooling Pad
- **Design Number: 6345789** UK Design Granted
Grant date: February 20, 2024
Registration date: February 8, 2024
Title of invention: Multi-purpose cauterization tool for ayurveda
- **Design Number: 403294-001** Indian Design Patent Granted
Grant date: February 2, 2024
Registration date: December 12, 2023
Title of invention: Mathematics teaching kit to enhance learning
- **Design Number: 6338377** UK Design Granted
Grant date: January 29, 2024
Registration date: January 10, 2024
Title of invention: Wearable Device for visually impaired people
- **Design Number: 6338621** UK Design Granted
Grant date: January 22, 2024
Registration date: January 11, 2024
Title of invention: Blockchain based medical data storage cloud device
- **Design Number: 6330696** UK Design Patent Grant
Grant date: December 12, 2023
Registration date: December 4, 2023
Title of invention: AI-Enhanced Diagnostic Imaging System for Early Disease Detection
- **Design Number: 6330587** UK Design Granted
Grant date: December 12, 2023
Registration date: December 02, 2023
Title of invention: Hybrid Solar and wind powered charging station for e-vehicle

- **Design Number: 6329402** UK Design Granted
Grant date: December 06, 2023
Registration date: November 28, 2023
Title of invention: Artificial intelligence enabled device for singer recognition
- **Design Number: 6326050** UK Design Granted
Grant date: November 22, 2023
Registration date: November 14, 2023
Title of invention: Sensor based automated rail track inspection trolley
- **Design Number: 395627-001** UK Design Patent Grant
Grant date: November 10, 2023
Registration date: September 21, 2023
Title of invention: Laptop Charging Device using Artificial Intelligence Techniques
- **Design Number: 6322511** UK Design Granted
Date of grant: November 07, 2023
Date of registration: October 28, 2023
Title of invention: Sensor Based Breath Analyser
- **Design Number: 6320952** UK Design Granted
Grant date: November 02, 2023
Registration date: October 23, 2023
Title of invention: Sensor based streetlight changing robot
- **Design Number: 6320795** UK Design Granted
Grant date: October 30, 2023
Registration date: October 21, 2023
Title of invention: Smart Floor Cleaning Robot
- **Design Number: 6320793** UK Design Granted
Grant date: October 27, 2023
Registration date: October 21, 2023
Title of invention: Solar tree for energy generation

RESEARCH COLLABORATION

- Dr. Kamal Kant Hiran collaborated with the following to carry out research on specific areas of Artificial Intelligence, Cloud-edge Computing and Technology adoption:
 - Aalborg University, Copenhagen, Denmark
 - Tecnologico de Monterrey, Monterrey, Nuevo Leon, Mexico
 - Lincoln University College, Petaling Jaya, Malaysia as a Post Doc research scholar in the domain of Sustainable Development Goals

Dipesh Vaya collaborated with Muma College of Business, University of South Florida (Sarasota-Manatee Campus) as Co-Supervisor for International Internship Project to carry out research on specific areas of Artificial Intelligence.

SUMMER INTERNSHIPS/TRAININGS

The following students of B. Tech VII Semester completed the summer internship/training

S. No.	Name of the Student	Enrolment No.	Name of the Company	Duration	
				From	To
1	C Laxita M	21CS002311	Xebia	May 21, 2024	July 4, 2024
2	Himanshu Choudhary	21CS002315	Xebia	May 21, 2024	July 4, 2024
3	Mohammed Amin	21CS002327	Xebia	May 21, 2024	July 4, 2024
4	Aadhya Gajjar	21CS002356	Xebia	May 21, 2024	July 4, 2024
5	Naman Bharat Gour	21CS002328	Vachved Digital Sol	May 25, 2024	July 4, 2024
6	Anamika Gupta	21CS002360	Xebia	May 21, 2024	July 4, 2024
7	Angothu Muni	21CS002361	Xebia	May 21, 2024	July 4, 2024
8	Bairagoni Manikanth	21CS002362	Xebia	May 21, 2024	July 4, 2024

ONLINE CERTIFICATIONS BY THE FACULTY

- Dr. Ashutosh Gupta completed the following online Certifications/Courses -
 Computer Science & Engineering, NPTEL DISCIPLINE STAR. January-April 2024
 Affective Computing, NPTEL. January-April 2024
 Edge Computing, NPTEL. January-April 2024
- Mr. Brajesh Kumar Sharma completed the following online Certifications/Courses
 National Education Policy2020: Professional Development Program, Swayam. May 1-31, 2024
 R Programming, IIT Bombay - Spoken Tutorial. May 15-21, 2024
 Moodle Test for Teachers, IIT Bombay - Spoken Tutorial. June 15-21, 2024
 NEP (2020) Orientation & Sensitization Programme, UGC MMTTC, Aligarh Muslim University, Aligarh. June 4-12, 2024
- Mr. Dipesh Vaya completed the following online Certifications/Courses -
 SAS® Visual Analytics 2 for SAS® Viya®: Advanced. SAS. Sep 28, 2023
 SAS® Visual Analytics 1 for SAS® Viya®: Basics. SAS. August 25, 2023.
 Beginners' Guide to Writing a Manuscript in LaTeX, Elsevier Researcher Academy. July 13, 2023
- Mr. Harsh Bansal completed the following online Certifications/Courses
 Cybersecurity for Blockchain. Ground Up, EC-COUNCIL. August 11, 2024
 Agreement Management using Hyperledger Fabric V2.5 (Full Stack Application), BlocktechMedia. May28, 2024

ONLINE CERTIFICATIONS/COURSES BY THE STUDENTS

FACULTY ACHIEVEMENTS

- Dr. Kamal Kant Hiran received the recognition from the IEEE, USA Advancing Technology for Humanity for Top 2% in the world as a Senior Member in the IEEE
- Prof.(Dr.) Prasun Chakrabarti delivered an expert research oriented lecture on Applications of Artificial Intelligence in Smart Grids, Power and Energy Laboratory, Engineering Cluster, Singapore Institute of Technology, Singapore. January 11, 2024.
- Mr. Harsh Bansal awarded with Jetson Nano Developer Kit for Embedded AI Lab from Nvidia
- Prof.(Dr.) Prasun Chakrabarti is a Visiting Senior Scientist at the Processing and Robotics Lab, Department of Advanced Electronic Engineering, Shibaura Institute of Technology, Tokyo, Japan. April 3, 2024 - April 2, 2026.
- Prof.(Dr.) Prasun Chakrabarti is an Honorary Adjunct Distinguished Professor, School of Innovative Design and Management, National Taipei University of Business, Taiwan. February 21, 2024 - February 20, 2027.
- Prof.(Dr.) Prasun Chakrabarti is an Invited Visiting Senior Scientist, Research Institute on IoT and Cybersecurity, National Kaohsiung University of Science and Technology, Taiwan. September 27, 2023 - September 26, 2026.

STUDENT ACHIEVEMENTS

- First Position, Smart India Hackathon, Ministry of Education, GoI for the problem statement “Novel Technology for Early Detection and Mitigation of Avalanches” posed by the Ministry of Defence. December 19 - 20, 2023
Toshik Soni (22CS002485), Dhruv Lodha (22CS002558), Kusum Menaria (22CS002508), Mitali Thapa (22CS002602), M Tauqeer Raza 922CS0026140 and Wasfa Haider Kazmi (22CS002483)
- Best Performing Teams - Idea Pitching Session of Innovation, Design, and Entrepreneurship Bootcamp, SKIT Jaipur, Ministry of Education’s Innovation Cell and the All-India Council for Technical Education, January 29 - February 2, 2024
Toshik Soni (22CS002485), Dhruv Lodha (22CS002558), Kusum Menaria (22CS002508), Mitali Thapa (22CS002602), M Tauqeer Raza 922CS0026140 and Wasfa Haider Kazmi (22CS002483)
- Second position - CVMU Hackathon 2.0, ADIT, Gujarat for project JARVIS. March 4-5, 2024. Team Shakespeare - Ashish Patel (21CS002307), Anjali Upadhyay (21CS002305), Harshitha Maratha (22CS002502) and Dilkush Giri Goswami (22CS002490)

- Third position - CVMU Hackathon 2.0, ADIT, Gujarat for project named IoT- Driven Library Automation. March 4-5, 2024. Team Resolvers - Unnati Sutradhar (22CS002533), Priya Jagetiya (22CS002562) and Tarun Nagar (22CS002547) and Achyut Pancholi (22CS002544)

FUTURE PLANS

The Computer Science Department aims to advance its academic and research goals through key initiatives like strengthening industry collaborations to bring real-world expertise into the classroom and research projects, Faculty Development Programmes shall be organised to stay abreast with new technologies, and prioritizing undergraduate research. The department plans to apply for NBA accreditation and so shall focus on exceeding required standards and increasing industry engagement through seminars and guest lectures. Additionally, student exchange programmes with Indian and international institutes shall be explored, along with international mentorships for MTech and PhD students. The department also plans to promote social responsibility by offering computer literacy programmes to nearby communities.

6.5 DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING AND ELECTRICAL ENGINEERING

INTRODUCTION

The Department of Electronics & Communication Engineering and Electrical Engineering offers undergraduate, postgraduate, and doctoral degree programmes aimed at enhancing students' fundamental knowledge and their experimental, computational, and analytical skills. The department emphasizes a "learning by doing" approach, ensuring students gain practical, hands-on experience.

To support this, the department is equipped with state-of-the-art laboratories, including the Electrical & Analog Electronics Lab, Microwave μ W and Power Electronics Lab, Antenna Lab, Microprocessor and Microcontroller μ C Lab, Digital Signal Processing and VLSI Lab, Digital Electronics and Communication Lab, Instrumentation Lab, Project Lab, Electrical Technology Lab, Electrical Machine Lab, Power Electronics Lab, Electrical Measurement Lab, Electric Drives Lab, Control System Lab, Power System Design Lab, and a software-based lab. These facilities provide students with comprehensive knowledge and real-world application experience. All programmes follow an outcome-based education model to ensure that learning is focused on measurable results and practical competencies.

THRUST AREAS OF RESEARCH

- Embedded Systems, Wireless sensor networks, IOT and energy harvesting
- Implementation of defected ground structure in antenna system
- Implementation of defected ground structure in ultra-wide band for band pass filter associated with microwave techniques
- Smart Grid and solar cell analysis
- Reactive power compensation in FACTS

CHAPTER(S) IN AN EDITED BOOK

- Hardas, M, Mathur S and Bhaskar A A. 2023. Classification of Fundus Images Based on Severity Utilizing SURF Features from the Enhanced Green and Value Planes, Lecture Notes in Electrical Engineering, 998 LNEE, pp. 859–871

RESEARCH COLLABORATION

- Ritesh Tirole collaborated with Michal Jasinski, Associate Professor, Wroclaw University of Science and Technology, Department of Electrical Engineering Fundamentals for International Research Internship (remote mode) on Energy Issues in Internet of Things (IoT). December 1, 2023 - March 31, 2024
Students - Brijesh Saha (22EC002592), Deepak Raut (22EC002479), Bibek Jaishi (22EC002593), Tarang Srivas (20EC002285), Mohamed Ahmed Omer Ahmed (22EC002619)
- Anand A Bhaskar, collaborated with Michal Jasinski, Associate Professor, Wroclaw University of Science and Technology, Department of Electrical Engineering Fundamentals for International Research Internship (remote mode) on Applications of Internet of Things (IoT). December 1, 2023 - March 31, 2024
Students - Yunik Salvi (22L5EC2462) , Telagathoti Teja (19EC002233) , Mayur Lohar (23L3EC2804), CS Venkata Krishna (21EC002446), Kaithy Yashwanth Nadesh (21EC002380), P Manoj C S (21EC002451)
- Anand A Bhaskar, collaborated with Michal Jasinski, Associate Professor, Wroclaw University of Science and Technology, Department of Electrical Engineering Fundamentals for International Research Internship (remote mode) on Investigations on industrial applications based on VLSI & Embedded System. December 1, 2023 - March 31, 2024

Students - Harshvardhan Pujari (21EC002441), Lavanya Mali (21EC002443), Mohit Swami (21EC002444), Karina Bairagi (21EC002457), Mohammed Amin Sheikh (21EC002439), Sharma Manish Shivavtar (22EC002594)

SUMMER INTERNSHIPS/TRAININGS

The following students of B. Tech VI Semester completed the summer internship/training

Sr. No.	Name of the Student	Enrolment No.	Name of the Company	Duration	
				From	To
1	K Yashwanth Nadesh	21EC002380	Telangana Power Generation Cooperation Ltd	May 13, 2024	July 24, 2024
2	M Amin Sheikh	21EC002439	Shree Bhawani Engineering, Udaipur	May 20, 2024	July 13, 2024
3	Harshvardhan Pujari	21EC002441	Shree Bhawani Engineering, Udaipur	May 20, 2024	July 13, 2024
4	Lavanya Mali	21EC002443	Shree Bhawani Engineering, Udaipur	May 20, 2024	July 13, 2024
5	Mohit Swami	21EC002444	JK Cement, Nimbahera	May 27, 2024	July 13, 2024
6	C Sai Venkata Krishna	21EC002446	Telangana Power Generation Corporation Ltd.	June 13, 2024	July 24, 2024
7	P Manoj C Siddhardha	21EC002451	Telangana Power Generation Corporation Ltd.	June 13, 2024	July 24, 2024
8	Karina Bairagi	21EC002457	Shree Bhawani Engineering, Udaipur	May 20, 2024	July 13, 2024

ONLINE CERTIFICATIONS/COURSES BY THE STUDENTS

Name of the Student	Enrolment No.	Name of Online Certification / Course	Organization	Duration
Mohit Swami	21EC002444	CMOS Digital VLSI Design	NPTEL	Jan-Mar 2024
		Deep Learning	NPTEL	Jan-Apr 2024
		Industrial Automation and Control	NPTEL	Jan-Apr 2024
Hanumantha Navaneetha Reddy	23EC002644	The Joy of Computing using Python	NPTEL	Jan-Apr 2024

OTHER ACTIVITIES

- Dr. Anand A Bhaskar and Dr. Ritesh Tirole visited to e-Infochips Ahmedabad, Gujarat. December 11, 2023.
- Seminar on Robotics Display, Fateh School, Udaipur, District Level Science Fair 2023-24. September 21-23, 2023. Students demonstrated wheeled mobile robots, Raspberry Pi based Desktop and Drones (Quad & Hexa) developed by them at SPSU. The following students participated Tarang Srivas (20EC002285), Yunik Salvi (22L5EC2462), Harshvardhan Pujari (21EC002441) and Karina B (21EC002457)

Students at Robotics Display at Fateh School, Udaipur

- Department of E&CE organized Robotics Workshop at St. Mary's Senior Secondary School, Udaipur for 12th grade students. The following students participated - Tarang Srivas (20EC002285), Yunik Salvi (22L5EC2462), Harshvardhan Pujari (21EC002441) and Karina B (21EC002457). September 28, 2023

Dr. Anand Bhaskar and students of ECE Department at Robotics Workshop at St. Mary's Sr Sec School, Udaipur

- Department of E&CE organized Robotics Workshop at L K Singhania School, Gotan. October 3, 2023
- Dr. Anand A Bhaskar conducted workshops on 000 to IoT (July 24, 2023) and Entrepreneurship: Ideation to Innovation (August 3, 2023) in Sangyaan 2023: The Orientation Programme, Sir Padampat Singhania University, Udaipur.

Dr Anand Bhaskar in a workshop in Sangyaan 2023

FUTURE PLANS

The Department plans to strengthen the research activities in the areas of expertise of the faculty members through the funded research projects from DST, CSIR, DAE, etc and collaborate with industries.

6.6 DEPARTMENT OF ENGLISH

INTRODUCTION

The English department plays a significant role in strengthening students' communication skills, both in spoken and written forms. It offers a diverse array of courses at the undergraduate and postgraduate levels, designed to refine language proficiency and interpersonal abilities. Beyond language skills, the department helps in nurturing creative and critical thinking of the students and encourages them to explore literature, culture, and develop diverse perspectives. The students cultivate a deeper understanding of language as a tool for expression and persuasion by engaging in debates, presentations and creative writing.

THRUST AREAS OF RESEARCH

- Gender Studies
- Teaching Learning Pedagogy
- English Language and Literature
- Soft Skills

PUBLICATIONS IN REFEREED JOURNALS

- Banerjee S, Kaur S and Matharu SG. 2024. Exploring the Effect of Multilingualism on Cognitive Development and Academic Excellence. *Migration Letters*, **21**(S2): 1565-1574.

PAPERS PRESENTED IN CONFERENCE/ SEMINAR/ SYMPOSIUM (IF NOT PUBLISHED AS FULL PAPER IN THE PROCEEDINGS)

- Banerjee S. 2024. Revolutionizing Management Education: Integrating Sustainability for Lifelong Impact. Intl. Conf. Navigating the Future, AI, Blockchain and Sustainable Development in the G20 World, The Essence: Journal of Management and Science (Special Issue), Vol 1 **(2)** pp 56.
- Banerjee, S. 2024. Empathetic Evolution: Transforming Education for Sustainable Development through Student Centered Pedagogies and Engaged Learning, International Research Convention 2024, The Essence: Journal of Management and Science, **1** (1) pp 106.
- Gajbhiye A and Anand M. 2024. Technological Advancements in Biofuel Production: The First Generation to Fourth Generation Biofuels in the International Research Convention 2024 (SPSU) The Essence: Journal of Management and Science, **1** **(1)** pp 110.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

Dr. Shibani Banerjee Chaired a technical session on ‘Geo-centrism, Naturalism and Collectivism through Indigenous Literatures, XX Annual International Conference of Rajasthan Association for Studies in English, MLS University, Udaipur, December 26-28, 2023.

OTHER ACTIVITIES

- Dr. Monika Anand and Dr. Shibani Banerjee were invited speakers for a Workshop on Soft Skills, Meera Girls College Udaipur, December 13, 2023.
- Dr. Monika Anand and Dr. Shibani Banerjee participated in the Faculty Development Programme on Navigating Excellence through Outcome Based Research, School of Management, SPSU, October 12-14, 2023
- Dr. Monika Anand conducted a workshop on ‘Developing Communication and Soft Skills’ in the Induction programme for the First year B.Tech. and B. Arch. Students, Institute of Engineering and Technology and College of Architecture, MLS University, Udaipur, September 23, 2023.
- Dr. Monika Anand was the Invited Speaker for the Motivational Lecture, Society for Education of the Differently Abled (SEDA), September 9, 2023.
- Dr. Monika Anand and Dr. Shibani Banerjee served as reviewers for IGI Global Publications. Scopus, Web of Science, 2024.
- Dr. Shibani Banerjee received the best paper award in the International Conference on ‘Navigating the Future: AI, Blockchain, Sustainable Development in the G-20 World’ organized during April 19-20, 2024, SPSU.
- Dr. Monika Anand was the member of Technical Committee, International Research Convention 2024, SPSU, March 19, 2024.
- Dr. Shibani Banerjee was the member of Media Publication Committee and International Research Convention 2024, March 19, 2024.
- Dr. Shibani Banerjee is the Faculty Advisor of Elements – The Writers’ Club.
- Dr. Shibani Banerjee compiles and drafts the news and events of the University for print and social media.
- Dr. Monika Anand coordinated Sangyaan 2023: The Orientation Programme and the Tenth Convocation 2023.
- Dr. Monika Anand and Dr. Shibani Banerjee were the Masters of the Ceremony of the Tenth Convocation 2023.

FUTURE PLANS

The Department proposes to initiate undergraduate, postgraduate and doctoral degree programmes.

6.7 DEPARTMENT OF MATHEMATICS

INTRODUCTION

The Department offers courses on Engineering Mathematics containing Matrices, Linear Algebra, Calculus, Differential Equations, Numerical Methods, Probability, Sampling theory, Statistics and Business Statistics to the various B.Tech. M.Tech., BCA and MBA degree programmes offered by the University. To prepare students for success in placement tests and interviews, the department offers courses in Quantitative Aptitude and Logical Reasoning.

THRUST AREAS OF RESEARCH

- Special functions and their applications, Generalized elliptic and q- hypergeometric functions.
- General theory of relativity and cosmology, Astronomy and Astrophysics, Anisotropic Bianchi type Cosmological Models.

PUBLICATIONS IN REFEREED JOURNALS

- Koshti D, Gupta A, Kalla M and Sharma A. 2024 TRANS-VQA: Fully Transformer-Based Image Question-Answering Model Using Question-guided Vision Attention. *Inteligencia Artificial*. **27** (73): 111-128.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Yashoverdhan Vyas participated Short-term course on Mathematical Modelling And Numerical Simulation (online), Dr B R Ambedkar National Institute of Technology (NIT) Jalandhar, Punjab. July 24 – 28, 2023.
- Dr. Yashoverdhan Vyas attended an International Conference on Mathematical Modelling, Applied Analysis and Computation, Department of Mathematics, JECRC University, Jaipur. August 03-05, 2023.
- Dr. Yashoverdhan Vyas attended two-day workshop on Graph Theory with Python: A Two day online hands-on Workshop to Unlock its Power, Indian Mathematics Professor Association and Infinity Research and Development institute, Coimbatore. August 12-13, 2023.
- Dr. Yashoverdhan Vyas attended a one-day online workshop on An Introduction to MATLAB and its Applications, Department of Mathematics, KPR Institute of Engineering and Technology, Coimbatore. August 17, 2023.
- Dr. Yashoverdhan Vyas attended a five-day workshop on Linear Algebra and Its Applications, Department of Applied Sciences, The North Cap University, Gurugram. August 21-25, 2023.
- Dr. Yashoverdhan Vyas attended a two-day workshop on AI Tools for Mastery in Modern Teaching, Indian Mathematics Professors Association (INMPA) and Infinity Research and Development institute, Coimbatore. September 02-03, 2023.
- Dr. Yashoverdhan Vyas attended a One Week (online) Faculty Development Programme on Recent Trends in Mathematical Sciences, Mahatma Hansraj Faculty Development Centre, Delhi. September 11-16, 2023.
- Dr. Yashoverdhan Vyas attended a two-day workshop on Mastering Mathematical Concepts with Python Programming, Indian Mathematics Professor Association and Infinity Research and Development institute, Coimbatore. September 17-18, 2023.
- Dr. Yashoverdhan Vyas served as Convener of an expert Lecture on Real Life Applications of Statistical Distributions, The Directorate of Research and Publications, SPSU. January 12, 2024.
- Dr. Yashoverdhan Vyas attended an International Conference on Nonlinear Dynamics and Applications ICNDA-2024, Department of Mathematics, Sikkim Manipal Institute of Technology, Sikkim, February 21-23, 2024.
- Dr. Yashoverdhan Vyas participated in five days International Faculty Development Programme on International Grants and Research Project Proposals, Sir Padampat Singhania University, Udaipur. March 14 – 18, 2024.
- Dr. Yashoverdhan Vyas participated in International Research Convention 2024, Sir Padampat Singhania University, Udaipur. March 19, 2024
- Dr. Yashoverdhan Vyas served as a member of core organizing committee in International Conference on Navigating the Future: AI, Blockchain, Sustainable

Development in the G-20 World, Sir Padampat Singhania University, Udaipur. April 19 – 20, 2024.

ONLINE CERTIFICATIONS BY THE FACULTY

- Dr. Arvind Sharma successfully completed Data Science for Engineers, NPTEL-AICTE Faculty Development Programme. July – September 2023.\

OTHER ACTIVITIES

- One Ph.D. Scholar of the Department of Mathematics; have submitted the Ph.D. thesis under the supervision of Dr. Yashoverdhan Vyas during the session 2023-2024.
- One Ph.D. Scholar of the Department of Mathematics; have been awarded the Ph.D. theses under the supervision of Dr. Yashoverdhan Vyas during the session 2023-2024.
- One Ph.D. Scholar of the Department of Mathematics; have submitted the Ph.D. theses under the supervision of Dr. D S Chouhan during the session 2023-2024.

FUTURE PLANS

The Department plans to offer B.Sc. and M.Sc. degree programme in Mathematics, organising guest lectures, submit research proposals, and host conferences and workshops.

6.8 DEPARTMENT OF MECHANICAL ENGINEERING

INTRODUCTION

The Mechanical Engineering department, established in 2007, offers B.Tech, M.Tech, and Ph.D degree programmes with specializations in cement manufacturing (in collaboration with JK Cement Ltd and FL Smidth). The department offers production engineering and machine design specializations in the postgraduate degree programme. The department features advanced labs such as Fluid Mechanics & Machine Lab, Applied Mechanics, Thermal, Vibration, Machining, CAD & Simulation, and a workshop. Key equipment includes CNC bench turner, milling and surface grinding machines, universal testing and vibration benches, engine test rigs, and turbines. A dedicated computer lab supports research with software like Creo 2.0, CAD, AutoCAD, Comsol MultiPhysics Simulation, Matlab and Mathcad Software.

THRUST AREAS OF RESEARCH

- Composite materials
- Sustainable buildings
- Renewable Energy
- Process Planning and scheduling in FMS

PUBLICATIONS IN REFEREED JOURNALS

- Shrimali R and Kumar N. 2024. Energy and cost analysis of composite-insulated rooftops for sustainable buildings in Indian climatic conditions. Energy Sources, Part B: Economics, Planning, and Policy. **19** (1).

PAPERS PRESENTED IN CONFERENCE/ SEMINAR/ SYMPOSIUM (IF NOT PUBLISHED AS FULL PAPER IN THE PROCEEDINGS)

- Kumar N and Rastogi PM. 2024. Loading & Scheduling of Industry 4.0 Integrated Flexible Manufacturing System. Intl. Conf. Navigating the Future: AI, Blockchain, Sustainable Development in the G-20 World, SPSU, Udaipur, April 19-20.
- Rastogi PM and Kumar N. 2024. Impact of nanoparticles diesel biodiesel fuel blends on engines performance and emission characteristics of diesel engine. Intl. Conf.

Navigating the Future: AI, Blockchain, Sustainable Development in the G-20 World, SPSU, Udaipur, April 19-20.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Naveen Kumar and Dr. Pankaj Mohan Rastogi participated in a five day International Faculty Development Programme on “International Grants and Research Project Proposals,” Department of Computer Science and Engineering, SPSU. March 14-18, 2024.
- Dr. Pankaj Mohan Rastogi participated in a two-day Faculty Development Programme on “Role of Engineering towards Attainment of Sustainable Development Goals,” SS Polytechnic College, Udaipur in association with Indian institution of Industrial Engineering and Institution of Engineers, Udaipur Chapter. June 7-8, 2024.
- Dr. Pankaj Mohan Rastogi participated in one-week Short Term Training on “IC Engine Testing and Simulation,” Department of Mechanical Engineering, Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur. October 10 – 14, 2023.

ONLINE CERTIFICATIONS/COURSES BY THE STUDENTS

Name of the Student	Enrolment No.	Name of Online Certification / Course	Organization	Duration
Palle Krishnaprasad	20ME002292	Programming Foundations with Python	Nxtwave	August- November 2023

STUDENT ACHIEVEMENTS

Palle Krishnaprasad 20ME002292 attended the Ethical Hacking Mega Workshop hosted by Mr Abhinav Devaguptapu, Cyber Security Specialist, conducted exclusively for CCBP 4.0 Academy Students. October 4, 2023.

FUTURE PLANS

The Department of Mechanical Engineering plans to initiate new specializations, namely, digital manufacturing and industry 4.0 in association with industries in the undergraduate degree programme.

6.9 DEPARTMENT OF MINING ENGINEERING

INTRODUCTION

The Department of Mining Engineering is dedicated to shaping the next generation of mining professionals through a comprehensive and industry-relevant curriculum. Our B.Tech, M.Tech (Mine Planning and Mine Environment), and Ph.D. degree programmes are designed to equip students with the technical knowledge, practical skills, and environmental awareness required to meet the challenges of the modern mining industry.

THRUST AREAS OF RESEARCH

- Analysis and utilization of mining waste
- Strategic planning for surface and underground mining
- Production planning through scheduling and material blending
- Computer-aided mine design and related applications

PUBLICATIONS IN REFEREED JOURNALS

- Hussain AS, Guindo I, Pandey D and Singh M. 2024. Advancement in Underground Mining: The Development of Longwall Project Using Bolter Miner, International Journal of Research and Analytical Reviews. **11** (2): 754-766.
- Kamleshbhai SG, Pandey D, Singh M. 2024. Shaft Arrangements Set Up For Safe Transport Across The Mine. International Journal of Research and Analytical Reviews. **11** (2): 650-663.

PUBLICATIONS IN PROCEEDINGS OF CONFERENCES/ SYMPOSIA

- Pandey D, Singh M, Rastogi PM and Sharma A. 2024. Study of the selection of mining methods based on various conditions. Proc. India Intl. Research Convention, Udaipur. March 19, pp.119.
- Pandey D, Singh M, Rastogi PM. and Sharma A. 2024. An analysis of the various innovative mining techniques and their implementation. Proc. India Intl. Research Convention, Udaipur. March 19, pp. 120.
- Gyimah EO and Gyamfi BA. 2024. Analysing policy and institutional frameworks for promoting reforestation as a sustainable land-use strategy in Ghana's mining sector. Proc. India Intl. Research Convention, Udaipur. March 19, pp. 121.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- Dr. Deepak Pandey and Manjeet Singh attended the Rajasthan Mining Summit Programme, UCCI Udaipur. July 14, 2023.
- Dr. Deepak Pandey attended a workshop on "Role of Artificial Intelligence and Automation in Mining," Mining Engineers Association of India. July 5, 2023.
- Mr. Manjeet Singh attended a one day webinar on "How to build a successful career in cyber security," Department of Computer Science and Engineering, SPSU. August 16, 2023.
- Dr. Deepak Pandey and Manjeet Singh attended a five day International Faculty Development Programme on "International Grants and Research Project Proposals Department of Computer Science and Engineering, SPSU. March 14-18, 2024.

RESEARCH COLLABORATION

Research collaboration with the Wroclaw University of science and Technology Poland on Artificial Intelligence and Stochastic Modelling Perspectives of Renewable Energy in Mining, October 10, 2023.

SUMMER INTERNSHIPS/TRAININGS

The following students of B. Tech VII Semester completed the summer internship/training

- Dr. Deepak Pandey completed Foundation of Digital Marketing & E- Commerce, Coursera, August 2023

ONLINE CERTIFICATIONS/COURSES BY STUDENTS

Name of the Student	Enrolment No.	Name of Online Certification / Course	Organization	Duration
Syed Afroz Hussain	22MMN00178	Drone Technician	Regional Directorate of Skill Development & Entrepreneurship, SCCL MVTC- Mandamarri	February 19 - March 1, 2023
		Project Management Professional Certificate	Coursera Certificate under Google Project Management Course	December 2023
		Surface Mining Technology	NPTEL Online Certification - Elite IIT-Kharagpur	November 2023

		Getting started with Microsoft Excel	Coursera Certificate under Project Network	September 2023
		Geovia Minex Software	EDS Technologies	February 2024
Mukesh Prajapat	21MN002459	Autocad	Internshala Training	June 22, 2024
		Drilling and Blasting Technology	NPTEL Online Certification - Elite IIT-Kharagpur	Jan-Apr 2024

STUDENT ACHIEVEMENTS

16 students participated in an Essay Writing Competition organized by Mining Engineers Association of India, Udaipur Chapter. Prithviraj Singh Ranawat 21MN002460 won the Appreciation Prize for the best essay and was awarded a Cash prize of Rs 500.

OTHER ACTIVITIES

- An Industrial Visit was organized for the students at RK Marble Mines in Association with MEAI, November 1, 2023.
- 23 Students attended a Workshop on Datamine Software, CTAE, Udaipur February 19 - 23, 2023.

FUTURE PLANS

The Department plans to focus on establishing research-oriented laboratories to advance practical and innovative learning, initiate industry engagement programmes to strengthen the connect between academia and real-world practices. A distinctive approach to field-based knowledge will be introduced in the forthcoming academic session by inviting guest lecturers from esteemed organizations such as DGMS, DMG, IBM, HZL, and RSMML, offering students valuable industry insights and expertise.

6.10 DEPARTMENT OF PHYSICS

INTRODUCTION

The Department of Physics offers various fundamental Engineering Physics courses covering the concepts of Classical Wave Physics, Electromagnetism, Modern Physics, Solid State Physics, etc. and specialized courses on Quantum Information and Computing, Nanotechnology and Nanomaterials to the undergraduate students of the engineering discipline. The department provides advanced research opportunities through its Ph.D. degree programme.

THRUST AREAS OF RESEARCH

- Theoretical studies of electron/positron impact ionization of atoms/ions/molecules
- Quantum Information and Computing
- Synthesis and characterization of nano-materials Image encryption using fractional integral transforms and chaos

PUBLICATIONS IN REFEREED JOURNALS

- Bagul V and Singh P. 2023. Bessel beam double ionization (e, 3e) of Helium atoms. Journal of Physics Letters. **487**, 129119
- Singh P, Bagul V and Champion C. 2023. Triply differential cross-sections for electron and positron impact on methane. Journal of Chemical Physics **159**: 044302.

PAPERS PRESENTED IN CONFERENCE/ SEMINAR/ SYMPOSIUM (IF NOT PUBLISHED AS FULL PAPER IN THE PROCEEDINGS)

- Bagul V and Singh P. 2024. Computational Analysis of Electron-Impact Ionization (e, 2e) Triple Differential Cross Sections of Plasma-Relevant Tungsten Atom. International Conference on Atomic, Molecular, Material, Nano and Optical Physics with Applications (ICAMNOP-2023), December 20-22, 2023.
- Bagul V and Singh P. 2024. Calculation of the triple differential cross section for electron impact ionization of NH₃ molecules with low incident energy using the distorted wave Born approximation 2 method. International Conference on Atomic, Molecular, Material, Nano and Optical Physics with Applications (ICAMNOP-2023). December 20 -22, 2023.

SEMINARS/WORKSHOPS/CONFERENCES ATTENDED BY FACULTY MEMBERS

- International Research Convention 2024 (IRC24), Sir Padampat Singhania University, Udaipur, March 19, 2024.

RESEARCH COLLABORATION

Faculty members of the Department have the established following international collaborations to carry out research in collaboration with -

Prof. Christophe Champion, Université Bordeaux, Centre d'Études Lasers et Applications (CELIA), 33400 Talence, France.

OTHER ACTIVITIES

- Dr Prithvi Singh organized International Research Convention 2024 (IRC24) as a convenor at Sir Padampat Singhania University, Udaipur, March 19, 2024.
- Prof. Prithvi Singh served as a reviewer for the Physica Scripta (SCOPUS), Institute of Physics International Journals.
- Dr. Prithvi Singh supervised a Ph.D thesis on the title “Theoretical Study of (e,2e) Process of Atoms and Molecules”

FUTURE PLANS

The department aims to enhance research activities in the faculty members' areas of expertise by securing funded projects from agencies such as DST, CSIR and DAE.

6.11 SCHOOL OF LIBERAL STUDIES

INTRODUCTION

The School of Liberal Studies is committed to fostering interdisciplinary learning and holistic development, offering students a well-rounded education through an undergraduate programme in Design. The curriculum encourages critical thinking, creativity, and a global perspective, preparing students for the complexities of an ever-changing world. Through an emphasis on intellectual flexibility, ethical understanding, and effective communication, the School equips students with the skills necessary for personal growth and professional success in a wide array of fields.

THRUST AREAS OF RESEARCH

- User-Centered Design and Experience
- Design Thinking and Innovation

ACTIVITIES

WORKSHOP ON SKETCHING AND DRAWING ADVANCED - April 25, 2024

Mr. R.K. Sharma and students in a workshop on Sketching and Drawing

A workshop on Sketching and Drawing was organised with the aim of enhancing the artistic skills of participants by delving into advanced techniques of sketching and drawing. The workshop was conducted by a renowned artist and expert in fine arts Mr R.K. Sharma. The workshop focussed on basic theory of art, how to see an object from an artist's perspective, difference between a

common man and artist's perspective, perspective of design, 2 point perspective and geometrical patterns.

LIVE SKETCHING WORKSHOP - September 22, 2023

School of Liberal Studies organized a live sketching workshop onsite for the students of B. Design/BBA/BCA Semester I at Bagore ki Haveli, Udaipur. The workshop provided the fifteen participants the opportunity to practice sketching in a dynamic, real-world setting.

Students at Bagore ki Haveli displaying their sketches

6.12 SCHOOL OF MANAGEMENT

INTRODUCTION

The School of Management is dedicated to shaping future leaders who drive value creation for stakeholders and society. Inspired by our Founder Chancellor's vision of liberating humanity through knowledge and supported by our parent organization's legacy of public service and education, the school strives for academic excellence in all disciplines. We are committed to delivering top-tier education and fostering a research-driven learning environment that promotes innovation and lifelong learning. Our curriculum is continuously updated to meet industry demands and emerging trends, with a strong focus on industry-academia partnerships. Our passionate, highly qualified faculty are devoted to guiding students on their academic journey. The School of Management also prioritizes the global integration of its curriculum, preparing students to face international challenges. Through case studies, mentoring, and interactive discussions, we emphasize holistic development, aiming to cultivate responsible, value-driven professionals with well-rounded personalities.

THRUST AREAS OF RESEARCH

- HR/OB-Organization culture, Motivation techniques, Women studies, Leadership styles, etc.
- Marketing, Sales and Advertising
- Business Analytics
- Finance, Banking and Accounting

STUDENT ACHIEVEMENTS

SoM student achievers in the Digital and Analytics Conclave 2024

A team of 24 students from SPSU participated in Digital and Analytics Conclave 2024 organised by Pacific University on February 23-24, 2024. They participated in events like Ideathon, Debate, Poster Making, Digital Business Quiz, Business Storytelling. Ms Chitra Malviya and Ms Ankita Joshi secured First Position in Poster Making Competition and won cash prize of Rs 5000/ and certificate. Ms Manisha Sen secured Third Position in the Business Storytelling competition and won a cash prize of Rs 1000/.

OTHER ACTIVITIES

• THREE-DAY ONLINE FACULTY DEVELOPMENT PROGRAMME ON NAVIGATING EXCELLENCE THROUGH OUTCOME-BASED RESEARCH - October 12-14, 2023

Participants in the online Faculty Development Programme

The FDP covered topics such as journal selection, literature review, data collection techniques, and data analysis using various tools like SPSS, E-Views, Smartt-PLS, and STATA. Participants were guided on how to prepare academic papers for publication in reputable journals. Participants gained a comprehensive understanding

of academic writing, research ethics, data analysis, and how to avoid plagiarism. They learned how to draft well-structured papers, select appropriate journals, and effectively communicate their research findings. The following were the Resource Person for this FDP:

- Prof. Amit Kumar Singh - Professor, Delhi University, New Delhi
- Dr. Aviral Kumar Tiwari - Assistant Professor, IIM Bodh Gaya
- Prof. Santosh Panda - Professor, IGNOU, New Delhi

- Dr. Rahul Pratap Singh Kaurav - Associate Professor, FORE School of Management, New Delhi
- Dr. Imran Anwar - Assistant Professor, School of Management, Sir Padampat Singhania University, Udaipur
- Dr. Bright Akwasi Gyamfi - Associate Professor, School of Management, Sir Padampat Singhania University, Udaipur

- **BUSINESS SIMULATION WORKSHOP - February 27, 2024**

Participants (MBA Semester II students) tested their skills in realistic scenarios requiring them to respond in real-time to challenges. Two trial rounds were conducted to explain how business simulation works and then a competition was held between 15 teams consisting of 3 members each. The Resource Person for this workshop was - Mr. Ajit Pal Singh Patel, Founder-Chief Learner, Bizlead.in (AG&G Associates).

Mr. Ajit Pal Singh Patel in a Business Simulation Workshop

- **WORKSHOP - FINANCIAL LITERACY - February 27, 2024**

Speaker and participants in a workshop on financial literacy

The workshop featured distinguished guest speakers from the industry: Mr. Manoj Kumar, Mr. Sushil Kumar Dani, and Mr. Ram Sharma, who shared various facets of financial management. Their sessions explored the impact of digitalization on financial services, emphasizing the need for adaptability and technological literacy in the evolving financial landscape.

- **INDUSTRIAL VISIT – JK Cement Plant, Nimbahera and Mangrol. March 6-7, 2024**

Ninety three students of SoM visited the JK Cement Plants. The visit aimed to provide insights into the operations, technology, and sustainability practices of one of the leading cement manufacturers in the region.

Students at JK Cement Nimbahera Plant

- **STUDY TOUR, INTI International University, Malaysia. March 3-10, 2024**

Students at INTI University, Malaysia

Sixteen students from the School of Management along with Prof. Shweta Lalwani participated in a 7 Day Study tour. The 7 days tour comprised of cultural and hands-on skill-based workshops, trips to Melaka, Batu caves, Genting Highlands, KLCC and Melati hill hiking. The students also attended classes delivered on business

communication and etiquettes, art of research, music, traditional indoor games of Malaysia.

Dr. Shweta Lalwani visited Lincoln University College in Malaysia to discuss potential collaborations in research and academia. She met with Prof. Ghosh, the Dean of the School of Business, and Pro-Vice Chancellor, Prof. Sandeep Poddar.

Dr. Shweta Lalwani at Lincoln University College, Malaysia

• **INTERNATIONAL CONFERENCE ON NAVIGATING THE FUTURE: AI, BLOCKCHAIN, SUSTAINABLE DEVELOPMENT IN THE G-20 WORLD - April 19-20, 2024**

President Prof.(Dr.) Prithvi Yadav, Col.(Dr.) Sanjay Sinha, Dignitaries and team SPSU

The School of Management organised an international conference. The Guest of Honours were Mr. Ajay Kumar Saraogi, Deputy Managing Director and CEO, JK Cement and Prof.(Dr.) Narendra Singh Rathore (Campus Director, Geetanjali Institute of Technical Studies, Udaipur). Delhi, Manipur University; Quantum University, Roorkee, School of Management and Business Studies, Jamia Hamdard, New Delhi; Janardan Rai Nagar Rajasthan Vidyapeeth Deemed University, Udaipur; Rajasthan Technical University, Kota; School of Business, Public Policy and Social Entrepreneurship, Dr. B R Ambedkar University Delhi; National Institute of Fashion Technology, Bengaluru, Acharya Bangalore B- School, Bangalore; Jamia Hamdard, New Delhi, Delhi Skill & Entrepreneurship University, Delhi Government Girls P.G. College, Fatehpur gave presentations. The conference was sponsored by LoM Digital. Centre for Innovation in Skills and Social Entrepreneurship, SAS, was the Academic partner and Outlook was the media Partner for the conference. A total of 81 research papers were presented in the Conference.

SUMMER INTERNSHIP ORIENTATION WORKSHOP - May 20, 2024

Dr. RKS Mangesh Dash addressing the students in the Summer Internship Orientation Workshop

Under the guidance and leadership of Prof. (Dr.) Prithvi Yadav, Vice Chancellor and President, SPSU a summer internship orientation workshop was organized by the School of Management on May 20, 2024. Dr. RKS Mangesh Dash, an NLP Coach, Design Thinking Expert, OD Consultant, Behavioural/

Sales Trainer, and Motivational Speaker delivered the workshop. The Dean, School of Management, Professor (Dr.) Sadananda Prusty inaugurated and welcomed the guest and participants. The workshop focused on preparing MBA students for summer internships and pre-placement activities. Key topics included the types of assessments students might encounter, professional qualities and competencies sought by recruiters, and preparation for various interview rounds. Dr. RKS Mangesh Dash provided detailed guidance on handling the subjects, personality, and competency-related questions. He briefed the students about aptly presenting their strengths and areas for improvement while adhering to interview etiquette. He also highlighted the importance of the workplace environment and suggested suitable questions students could ask during interviews. The students participated actively in the knowledge sharing interactive session.
